College of Education and Human Development  
Division of Special Education and disAbility Research  

Fall 2016  
EDSE 412 001: Braille Code  
CRN: 77977, 3 - Credits  

Instructor: Dr. Kimberly Avila  
Phone: 703.993.5625  
E-Mail: kavila@gmu.edu  
Office Hours: By appointment  
Meeting Dates: 08/31/16 - 12/07/16  
Meeting Day(s): Wednesday  
Meeting Time(s): 4:30 pm - 7:10 pm  
Meeting Location: Fairfax

Document Quick Links: Assignments  Schedule

Note: This syllabus may change according to class needs. Students will be advised of any changes immediately through George Mason e-mail and/or through Blackboard.

Course Description  
Provides understanding of the literary code of Braille and its implications for educational/literacy programs for students with a visual disability. Practice experiences will enable students to better understand the Braille code and how to teach it to students with a visual disability.  
Prerequisite(s): EDSE 411.  
Corequisite(s): EDSE 411.  
Notes: Delivered online.  
Schedule Type: LEC  
Hours of Lecture or Seminar per week: 3  
Hours of Lab or Studio per week: 0  

Prerequisite(s): EDSE 411 (may be taken concurrently)  

Co-requisite(s): EDSE 411

Advising Contact Information  
Please make sure that you are being advised on a regular basis as to your status and progress through your program. Mason M.Ed. and Certificate students should contact
the Special Education Advising Office at (703) 993-3670 for assistance. All other students should refer to their faculty advisor.

**Advising Tip**
Did you know you may be able to take graduate Special Education courses now that you can later apply to your graduate degree program? For more information on taking special education coursework for Reserve Graduate Credit, talk with an advisor: [http://gse.gmu.edu/special-education/advising/](http://gse.gmu.edu/special-education/advising/).

**Nature of Course Delivery**
Learning activities include the following:
1. Class lecture and discussion
2. Application activities
3. Small group activities and assignments
4. Video and other media supports
5. Research and presentation activities
6. Electronic supplements and activities via Blackboard

**Learner Outcomes**
Upon completion of this course, students will be able to:
1. Demonstrate an understanding of the history of the development of braille.
2. Read and write uncontracted literary braille.
3. Read and write contracted literary braille.
4. Demonstrate knowledge of tactile perception skills and principles of braille reading mechanics.
5. Demonstrate knowledge of pre-braille and emergent literacy skills.
6. Identify braille reading and writing teaching methods for students with visual impairments, including students with additional disabilities.
7. Understand cultural and linguistic diversity related to braille literacy for students with visual impairments.
8. Locate specific braille materials for classroom use.
9. Identify methods for teaching the use of the slate and stylus.

**Required Textbooks**

Holbrook, M. C., D'Andrea, F. M., & Sanford, L. D. (2014). Ashcroft's 
http://www.scalarspublishing.com/

Required Resources

- Manual brailler (Perkins, Next Generation) May be checked out from the VI 
  Consortium
- Braille paper (8.5x11 and 11x11.5)
- Traditional slate and stylus
- The APH student starter pack has these items, and an abacus, which is needed for 
  the spring braille course: https://shop.aph.org/webapp/wcs/stores/servlet/Product_Student%20Starter%20Pac 
  k_1-00350-00P_10001_11051
- **Perky Duck Software**: Free download from Duxbury 
  action=pur. Note that braille translation software cannot be used for assignments in 
  this course.

Recommended Textbooks

visual impairment. Austin, TX: Texas School for the Blind and Visually Impaired.

Mangold, P. Teaching the braille slate and stylus. Castro Valley, CA: 
Exceptional Teaching Aids.

Foundations of braille literacy. New York: American Foundation for 
the Blind.

with a balanced approach to literacy. New York: AFB Press.

York: AFB Press.
Additional Readings
Posted on Blackboard

All articles or article references are posted on Blackboard. It is expected prior to class meetings that students will have read the materials on Blackboard or accessed them from their university library in addition to the chapters from the book *Instructional Strategies for Braille Literacy*. Class notes and additional handouts and resources are also posted on the Blackboard site under the lectures for each week.

Course Relationships to Program Goals and Professional Organizations
This course is part of the Virginia Consortium for Teacher Preparation in Vision Impairment Program for teacher licensure in the Commonwealth of Virginia in the special education areas of Special Education: Visual Impairments PK-12. This program complies with the standards for teacher licensure established by the Council for Exceptional Children (CEC), the major special education professional organization. The CEC standard that will be addressed in this class include Standard 5: Instructional planning and strategies.

GMU Policies and Resources for Students:

a. Students must adhere to the guidelines of the George Mason University Honor Code [See http://oai.gmu.edu/the-mason-honor-code/].

b. Students must follow the university policy for Responsible Use of Computing [See http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/].

c. Students are responsible for the content of university communications sent to their George Mason University email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.

d. The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students’ personal experience and academic performance [See http://caps.gmu.edu/].

e. Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services and inform their instructor, in writing, as soon as possible. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor. [See http://ods.gmu.edu/]. Students from other Consortium universities must provide their accommodation documentation to the instructor as well.
f. Students must follow the university policy stating that all sound emitting devices shall be turned off during class unless otherwise authorized by the instructor.

g. The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing [See http://writingcenter.gmu.edu/].

**Professional Dispositions**

Students are expected to exhibit professional behaviors and dispositions at all times.

**Core Values Commitment**

The College of Education & Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles. [See http://cehd.gmu.edu/values/]

For additional information on the College of Education and Human Development, Graduate School of Education, please visit our website [See http://gse.gmu.edu/]

**Course Policies & Expectations**

*Attendance.*

Students are expected to attend class. One absence may be excused only in the case of an emergency and with instructor notification. Participation points may be made up if the student submits a 200 word summary of the missed session along with a sample of the in class practice exercises or other required class participation activity. More than one absence will result in loss of the participation points for the missed session. Please consult with the instructor if you must miss more than 2 sessions, as course credit could be compromised. Students are responsible for completing and submitting exercises for missed classes as assigned in the course schedule and class.

*Late Work.*

Due to the nature of this course, turning in assignments on time is a necessity. Only in the case of serious family emergency or illness will late assignment submission be considered. You must communicate via email with the instructor as soon as possible if there is an emergency circumstance.

**Tk20 Performance-Based Assessment Submission Requirement**

Every student registered for any Special Education course with a required performance-based assessment is required to submit the *NO ASSESSMENT REQUIRED FOR THIS COURSE* to Tk20 through Blackboard (regardless of whether the student is
taking the course as an elective, a onetime course or as part of an undergraduate minor). Evaluation of the performance-based assessment by the course instructor will also be completed in Tk20 through Blackboard. Failure to submit the assessment to Tk20 (through Blackboard) will result in the course instructor reporting the course grade as Incomplete (IN). Unless the IN grade is changed upon completion of the required Tk20 submission, the IN will convert to an F nine weeks into the following semester.

Course Requirements:

Participation (30 points)

Active participation in all sessions is very important, as many of the activities in class are planned in such a way that they cannot easily be recreated outside of the class session. Live lectures, activities, and guest speakers supplement this course and can only be experienced in the class. Furthermore, as part of this course you are expected to be an active and respectful participant, which includes engaging in class discussions and activities.

Homework: (72 points: 12 assignments at 6 points each)

Homework assignments will consist of varying activities specified each week. Each homework assignment is worth 6 points. The manual braille writer, Perky Duck, and the slate & stylus will be used to submit assignments and exercises; word processors and the discussion board or other Blackboard or online programs may also be used. Each assignment is due before the next class session. The use of transcription software is not permitted on assignments, tests or other products for this course.

Assignments that are mailed must be post marked by the date specified on each task. Late penalties will apply to assignments not postmarked by the required date.

Send assignments to:
Kimberly Avila
George Mason University
MSN: 1F2
4400 University Drive
Fairfax, VA 22030

NOTE: Additional Assignments may be added depending on the needs of the students.

Brailler and Slate & Stylus Checkpoint (20 points)
Each candidate will demonstrate skills needed for proficient use of the brailler and slate & stylus. This includes inserting and removing paper, brailling, formatting, and use/terminology used with these devices. Candidates will complete this task via video conference and/or a recording that will be submitted to the instructor.

Midterm Exam (20 points)
The midterm exam will consist of braille transcription and rule knowledge.
Written Reflection and Essay on Braille Instruction and Current Issues: (30 points)
The reflection and essay will be based on lecture content and readings. It will be provided to you on November 16, 2016 via Blackboard. This is a take home assignment and will be due by November 30, 2016 at 11:59 pm.

Final Exam: Proficiency Test (50 points)
All students will complete a braille transcription exam at the end of the course. Students must find a proctor who will administer the exam for them and are responsible for ensuring confidentiality of the test, adhere administration procedures and mail it according to instructor directions.

Schedule
Subject to change based on class needs.
