

Student Research Symposium 2020

CALL FOR PROPOSALS

The CEHD Student
Research Symposium
is scheduled for
Tuesday, April 7, 2020
and

WE WANT YOU TO
PRESENT!

We will be accepting
submissions for oral and
poster presentations
beginning
Friday, November 1,
through
Sunday, December 1.

Student Research Symposium Submission Procedures and Guidelines

1. Submissions are open to all CEHD undergraduate and graduate students.
2. Submissions are accepted only via the online submission portal.
3. Submissions may be submitted by an individual presenter or group. Please submit only one proposal per group and list every contributor.
4. Participant registration and attendance is required. All presenting authors of accepted submissions are expected to register and attend the symposium.
5. Submissions may be submitted for either oral and/or poster presentation format. Students not selected for oral presentation will be encouraged to participate in the poster session.

Please note: Oral presentation slots are limited. Those selected may be asked to participate in a one-on-one coaching session to refine their presentation.

6. Submissions must include the following:
 - ORAL PRESENTATION SUBMISSION:
 - Title (20 words or fewer)
 - Abstract (120 words or fewer)
 - Research Project Summary (500 words or fewer)
 - Please seek faculty guidance if unsure of the appropriate elements of a research project summary for a particular discipline.
 - List of presenters, including full name, Mason email, G#, student classification, and program(s) of study
 - Name of faculty or staff contributors (if applicable)

Student Research Symposium

CALL FOR PROPOSALS

The CEHD Student Research Symposium is scheduled for Tuesday, April 7, 2020 and

WE WANT YOU TO PRESENT!

We will be accepting submissions for oral and poster presentations beginning Friday, November 1, through Sunday, December 1.

- POSTER PRESENTATION SUBMISSION:
 - Title (20 words or fewer)
 - Research Project Summary (500 words or fewer)
 - Please seek faculty guidance if unsure of the appropriate elements of a research project summary for a particular discipline.
 - List of presenters, including full name, Mason email, G#, student classification, and program(s) of study
 - Name of faculty or staff contributors (if applicable)
 - Abstract not required

7. Submissions will be reviewed and evaluated. Students will be notified by Friday, December 13, on the status of their proposal submission.

Please direct all questions to the CEHD Student Enrichment Coordinator, Brianna Alford, at balford@gmu.edu.
