# VIRGINIA CONSORTIUM FOR TEACHER PREPARATION IN BLINDNESS AND VISION IMPAIRMENT

Preparing teachers to work with students who are blind and visually impaired in Virginia.

Students may begin program during any semester but must take Characteristics of Students with VI during first semester.

## WHAT IS THE VI CONSORTIUM?

The VI Consortium is the only academic program for preparing teachers of students with visual impairments in Virginia and is comprised of three universities: George Mason University, Old Dominion University, and Radford University. Its primary goal is to prepare teachers to be highly skilled at working with students with visual impairment and blindness. Completion of the VI program meets the Virginia Department of Education's required competencies for teachers of students with blindness and vision impairment.

## HOW DOES IT WORK?

The VI Consortium trains teacher candidates through multiple modalities to enhance curriculum and instruction. This includes online, synchronous courses offered through web-conference, asynchronous sessions, hybrid classes, and face-to-face learning environments. The VI Consortium offers a partial tuition grant for qualified Virginia residents and educators.
