peers; therefore, **you are expected to contribute to all class and online discussions and activities** as well as genuinely listen to peers as they do the same. In addition, **you are expected to be prepared for each class**, which means having completed all assigned readings and tasks for that class. Cell phones are for emergency use only and **it is expected that you will not use cell phones in class** for purposes such as texting, social media, or phone calls.

### **Evaluation**

Participation will be evaluated based on readiness and contribution. (15%)

### **Hunts and Sorts**

**Due 10/14**

Students will plan and implement one hunt and two sorts (a total of three lessons). After implementation, students will write a reflection, evaluating the experience. More information will be provided in class.

Outcomes: 2, 3, 4, 6, 9, 10, 11, 13

### **Evaluation**

Activities will be evaluated based on consistency with instructional methods taught in the course, appropriate developmental design, coherence of writing, and mechanics. ### **Writing Lesson**

**Due 12/2**

Students will plan and implement a writing lesson incorporating technology in their placement. The focus should be on shared and/or interactive writing. The lesson will be videotaped and uploaded to Edthena. Reflections on the lesson will be posted. A summary reflection will be submitted to Blackboard. The post implementation reflection is the other three quarters. Reflections will be evaluated for ability to apply knowledge gained in readings and in class (references required); coherence of writing; and mechanics.

### **Book Club and Presentation**

**Variable Due Dates**

Students will form a book club and select a text from the list provided. Read and discuss the text in book club format. The group will select material to be presented to the class using an appropriate presentation format.

#### **ACEI Standards Assessed: 2.1, 3.1, 4.0**

This is the programmatic Performance Based Assessment for EDCI 555 and EDCI 556. Each student should select a child to read with frequently in order to gather data on the child's reading ability, level, strategy use, and comprehension. Written analysis will include instructional decisions, as well as when and how that instruction would be provided.

Each student should also collect at least three writing samples (e.g., one each from September, October, and November) from the target child. Based on these samples, students will prepare an assessment of the child's writing ability, including ideas for further instruction.

Spelling should be evaluated based on writing samples as well as information from the qualitative spelling inventory. Instructional decisions should be outlined, including implementation.

Additional information will be provided in class.

Outcomes: 1, 3, 4, 7, 10, 12, 13

### **Evaluation**

Accuracy of assigning developmental level and appropriateness of instructional suggestions based on information from class discussions and texts will determine grade. (25%)

### **TK20/Performance-Based Assessment(s) Submission Requirement**

Every student registered for any Elementary Education course with a required TK20 performance-based assessment (designated as such in the syllabus) must submit this/these assessment(s) (**EDCI 556: Reading, Writing, Spelling Analysis**) to Tk20 through '*Assessments*' in Blackboard. Failure to submit the assessment(s) to Tk20 (through Blackboard) will result in the course instructor reporting the course grade as Incomplete (IN). Unless this grade is changed upon completion of the required Tk20 submission, the IN will convert to an F nine weeks into the following semester.

## Core Values Commitment

## IMPORTANT INFORMATION FOR LICENSURE COMPLETION

### Student Clinical Practice: Internship Requirements

## Testing

Beginning with Spring 2015 internships, **all** official and passing test scores must be submitted and in the Mason system (i.e. Banner/PatriotWeb) by the internship application deadline. Allow a minimum of six weeks for official test scores to arrive at Mason. Testing too close to the application deadline means scores will not arrive in time and the internship application will not be accepted.

### Required tests:

Praxis Core Academic Skills for Educators Tests (or qualifying substitute)

VCLA

Praxis II (Content Knowledge exam in your specific endorsement area)

For details, please check <http://cehd.gmu.edu/teacher/test/>

## Endorsements

Please note that ALL endorsement coursework must be completed, with all transcripts submitted and approved by the CEHD Endorsement Office, prior to the internship application deadline. Since the internship application must be submitted in the semester prior to the actual internship, please make an appointment to meet with the Endorsement Specialist and plan the completion of your Endorsements accordingly.

## CPR/AED/First Aid

Beginning with spring 2015 internships, verification that the Emergency First Aid, CPR, and Use of AED Certification or Training requirement must be submitted and in the Mason system (i.e. Banner/PatriotWeb) by the application deadline. Students must submit one of the "acceptable evidence" documents listed at <http://cehd.gmu.edu/teacher/emergency-first-aid> to CEHD Student and Academic Affairs. In order to have the requirement reflected as met in the Mason system, documents can be scanned/e-mailed to [CEHDacad@gmu.edu](mailto:CEHDacad@gmu.edu) or dropped-off in Thompson Hall, Suite 2300.

## Background Checks/Fingerprints

All local school systems require students to complete a criminal background check through their human resources office (not through George Mason University) **prior to beginning field hours and internship**. Detailed instructions on the process will be sent to the student from either the school system or Mason. Students are **strongly advised** to disclose any/all legal incidents that may appear on their records. The consequence of

failing to do so, whether or not such incidents resulted in conviction, is termination of the field hours or internship.

### **Please Note**

Your G-Number must be clearly noted (visible and legible) on the face of the document(s) that you submit.

### **Application**

The internship application can be downloaded at <http://cehd.gmu.edu/teacher/internships-field-experience>

### **Deadlines**

Spring internship application:

Traditional: September 15

Fall internship application:

Traditional: February 15

Year Long Internship: April 1 (All testing deadlines are August 1 immediately preceding the fall start; RVE deadline is December 1)

**For additional information on the College of Education and Human Development, please visit our website <https://cehd.gmu.edu/>.**

Guidelines for **Reading, Writing, Spelling Analysis (EDCI 555 and 556 PBA)**  
**Due October 21, November 18, December 9, 2016**

This assignment requires you to apply your knowledge of literacy development and literacy content through an in depth assessment of one child’s literacy and the instructional program you would implement for that child based on the assessment. This analysis is the performance-based assessment for both literacy classes (EDCI 555 and EDCI 556).

As you begin your new placement, select a target child. Between now and the beginning of December you will assess the child’s reading, writing, and spelling ability.

Reading: create opportunities to listen to the child read. Keep a log of when you read together. Gather data on the child’s reading ability, including level, fluency, self-correction rate, strategy use, and comprehension. You may use anecdotal records, running records, interviews, discussions, reading inventories or any other form of assessment you see fit. You will present a snapshot of the child’s reading ability at one point in time. Supporting documents should be attached as appendices and cited in the text. Include a research-based instructional plan.

**Writing:** collect at least three writing samples. Be sure they are dated. The samples should include different types of writing. Avoid having all three be from the same source (e.g., 3 journal entries or 3 prompted stories). Based on these samples you will assess the child’s writing ability. This will include the developmental level as well as specific examples of their strengths in form, function, and process. Supporting documents should be attached as appendices and cited in the text. Include a research-based instructional plan.

**Spelling:** Based on writing samples, information from the qualitative spelling inventory, and other observational data, identify the student’s developmental spelling level as well as the word study strategies the student uses. Supporting documents should be attached as appendices and cited in the text. Include a research-based instructional plan.

## Evaluation

Diversity of assessments used, accuracy of developmental levels assigned and appropriateness of instructional suggestions based on content from class discussions and references will determine grade. See scoring rubric.
