None

# **University Catalog Course Description**

Provides the history and basic foundations of Pilates including an introduction to beginning Pilates exercises and their proper execution; exploration of modifications for certain exercises and the various props which may be used in the group class setting.

# Course Overview:

The Introduction to Pilates course will provide a combination of lecture and activity within the framework of each—class. Students will learn the history behind Pilates and the teachings of Joseph Pilates as well as the current movement—of Pilates in the United States today. In addition to the history and current movements in Pilates, the course will give students an overview of the most common Pilate's mat exercises. Students will also have the opportunity to experience the addition of props to the Pilate's mat class. Safety considerations while performing Pilate's mat exercises will also be discussed.

#### **Course Delivery Method**

This course will be delivered using a face-to-face format.

#### **Learner Outcome or Objectives**

This course is designed to enable students to do the following:

- 1. Articulate the purpose and history of Pilates based on the teachings of Joseph Pilates.
- 2. List and define the seven principles of Pilates:
  - A) Centering
  - B) Breathing

- C) Precision
- D) Control
- E) Concentration
- F) Flow
- G) Working within your frame.
- 3. Perform Pilates mat exercises and effectively demonstrate exercises in various anatomical positions (supine, prone, sitting, standing, etc.)
- 4. Utilize props to supplement the mat Pilate's workout.

#### Professional Standards N/A

### RequiredText: None

Recommended Readings:

Isacowitz, R. (2006) Pilates. Champagne, IL: Human Kinetics Various Handouts will also be given out.

#### **Course Performance Evaluation:**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy)

#### **Assignments and Examinations**

<u>Pilates Journal:</u> Students will record a short reflection on their progress at the end of each class period. This will be an in-class assignment. Please bring a single file folder to class for this purpose.

<u>Final Exam Written:</u> Students will be given an exam which will cover the principles taught within the lecture component of the class each day. The exam will be multiple choice.

<u>Practical Exam:</u> Students will be given the opportunity to demonstrate to the instructor five exercises which they were able to learn during the course of the semester. The exercises should be presented in a manner where Pilates principles are shown.

<u>Article Presentation:</u> Each student will share with the class an article which they read outside the classroom on a topic which relates to Pilates. A list of various topics will be provided to the students to choose from.

#### • Other Requirements

Students will receive 5 points for every class attended. Students who arrive after the first 10 minutes of class will receive only 4 points for that day.

#### **Class Information**

- 1. Students must come to class prepared to workout. Sweats, shorts, t-shirts or exercise clothing may be worn. Shoes will not be worn during class.
  - 2. Attendance is a major part of the student's grade. Students are expected to be at each class. Any absences must be arranged with instructor. Please discuss with instructor any special considerations for that particular class period prior to the beginning of class.
  - 3. If a student has more than one unexcused absence, his or her grade will be dropped 5 points for each absence. Emailing the instructor is not an excused absence. A doctor's note or other documentation is required by the instructor in order to excuse an absence.
