PREREQUISITES: Admission to Elementary Education licensure program.

UNIVERSITY CATALOG COURSE DESCRIPTION: Focuses on the design and delivery of standards-based integrated curriculum centered on the social sciences. Includes integration of fine arts and examines the central role of the arts in learning.

COURSE DELIVERY METHOD: This course will be delivered using a lecture/discussion format.

LEARNER OUTCOMES:

This course is designed to enable students to:

- A. Understand the standards, objectives, subject matter, and materials of elementary social studies instruction.
- B. Address standards in instructional planning; know and explain the key elements of the national social studies and arts standards and the Virginia Standards of Learning in social studies.
- C. Develop high quality, integrated lesson and unit plans for social studies that are based on inquiry and "big ideas" and include the arts, other subject areas, and technology.
- D. Identify and use a variety of instructional strategies and resources for teaching social studies lessons and integrating the arts.
- E. Examine issues related to multiculturalism and their relevance to teaching elementary students and differentiate for culture, ethnicity, and race.
- F. Describe the central role of arts in learning.
- G. Design and use multiple authentic assessments.
- H. Relate the development of classroom learning communities to student learning and civic participation in a democracy.

PROFESSIONAL STANDARDS:

Upon completion of this course, students will have met the following professional standards:

InTASC Standards (The Interstate Teacher Assessment & Support Consortium):

- Standard #2: Learning Differences. The teacher uses understanding of individual differences and diverse
 cultures and communities to ensure inclusive learning environments that enable each learner to meet high
 standards.
- Standard #3: Learning Environments. The teacher works with others to create environments that support
 individual and collaborative learning, and that encourage positive social interaction, active engagement in
 learning, and self-motivation.
- Standard #4: Content Knowledge. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make the discipline accessible and meaningful for learners to assure mastery of the content.
- Standard #5: Application of Content. The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.
- Standard #6: Assessment. The teacher understands and uses multiple methods of assessment to engage learners in their growth, to monitor learner progress, and to guide the teacher's and learner's decision making.
- Standard #7: Planning for Instruction. The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.
- Standard #9: Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

NCATE/ACEI STANDARDS (Program Standards for Elem. Teacher Preparation):

Social Studies Standard 2.4: Candidates know, understand, and use the major concepts and modes of inquiry from the social studies—the integrated study of history, geography, the social sciences, and other related areas —to promote elementary students' abilities to make informed decisions as citizens of a culturally diverse democratic society and interdependent world.

The Arts Standard 2.5: Candidates know, understand, and use—as appropriate to their own understanding and skills—the content, functions, and achievements of dance, music, theater, and the several visual arts as primary media for communication, inquiry, and insight among elementary students.

National Content Standards for Arts Education:

Dance

- 1. Understanding dance as a way to create and communicate meaning
- 2. Applying and demonstrating critical and creative thinking skills in dance
- 3. Demonstrating and understanding dance in various cultures and historical periods
- 4. Making connections between dance and healthful living
- 5. Making connections between dance and other disciplines

Music

- 1. Singing: alone and with others, a varied repertoire of music
- 2. Performing on instruments, alone and with others, a varied repertoire of music
- 3. Listening to, analyzing, and describing music
- 4. Understanding relationships between music, the other arts, and disciplines outside the arts
- 5. Understanding music in relation to history and culture

Theater

 Script writing by planning and recording improvisations based on personal experience and heritage, imagination, literature, and history

- 2. Acting by assuming roles and interacting in improvisation
- 3. Designing by visualizing and arranging environments for classroom dramatizations
- 4. Directing by planning classroom dramatizations
- 5. Analyzing and explaining personal preferences and constructing meanings from classroom dramatizations and from theater, film, television, and electronic media productions
- 6. Understanding context by recognizing the role of theater, film, television, and electronic media in daily life

Visual Arts

- 1. Understanding and applying media, techniques, and processes
- 2. Using knowledge of structures and functions
- 3. Choosing and evaluating a range of subject matter, symbols, and ideas
- 4. Understanding the visual arts in relation to history and cultures
- 5. Reflecting upon and assessing the characteristics and merits of their work and the work of others
- 6. Making connections between the visual arts and other disciplines

The Virginia State Teacher Education Licensure Regulations for Elementary Education:

- **Standard 1**: The use of differentiated instruction and flexible groupings to meet the needs of learners at different stages of development, abilities, and achievement.
- **Standard 2**: The use of appropriate methods, including direct instruction, to help learners develop knowledge and basic skills, sustain intellectual curiosity, and problem solve.
- **Standard 3**: The ability to utilize effective classroom management skills through methods that will build responsibility and self-discipline and maintain a positive learning environment.
- **Standard 4**: A commitment to professional growth and development through reflection, collaboration, and continuous learning.
- Standard 5: The ability to use computer technology as a tool for teaching, learning, research, and communication

INTERNATIONAL SOCIETY FOR TECHNOLOGY IN EDUCATION (ISTE) (which covers VA Technology Standards for Instructional Personnel):

- 1. Teachers design, develop, and evaluate authentic learning experiences and assessment incorporating contemporary tools and resources to maximize content learning in context and to develop the knowledge, skills, and attitudes identified as standards for students.
- 2. Teachers exhibit knowledge, skills, and work processes representative of an innovative professional in a global and digital society.

	Post in BB		

Grading Policies

It is expected that all class assignments will be submitted on time to the correct location; therefore, **late assignments will not receive full credit**. Assignments turned in late will receive an automatic deduction of one letter grade making the highest possible score equivalent to 80% (B). All assignments must be submitted on the due date stated within the syllabus and should be submitted in the format outlined by the professor.

Grade	GRADING	Grade Points	Interpretation	
A+	=100	4.00		
Α	94-99	4.00	Represents mastery of the subject through effort beyond basic requirements	
A-	90-93	3.67		
B+	85-89	3-33	Reflects an understanding of and the ability to apply theories and principles at basic level	
В	80-84	3.00		
C*	70-79	2.00	Denotes an unacceptable level of understanding and application of the basi	
F*	<69	0.00	elements of the course	

^{*}Remember: A course grade less than B requires that you retake the course. "C" is not satisfactory for a licensure course; "F" does not meet requirements of the Graduate School of Education

PROFESSIONAL DISPOSITIONS:

Students are expected to exhibit professional behaviors and dispositions at all times.

Core Values Commitment

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: http://cehd.gmu.edu/values/.

GMU Policies and Resources for Students

Policies

- Students must adhere to the quidelines of the Mason Honor Code (see http://oai.gmu.edu/the-mason-honor-code/).
- Students must follow the university policy for Responsible Use of Computing (see http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students **solely** through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see http://ods.qmu.edu/).
- Students must silence all sound emitting devices during class unless otherwise authorized by the instructor.

Campus Resources

- Support for submission of assignments to Tk2o should be directed to <u>tk2ohelp@gmu.edu</u> or https://cehd.gmu.edu/aero/tk2o. Questions or concerns regarding use of Blackboard should be directed to http://coursessupport.gmu.edu/.

IMPORTANT INFORMATION FOR LICENSURE COMPLETION

<u>Students</u> – please note the following requirements for Spring 2018 internship applications. <u>No extensions to the application</u> <u>deadlines will be given for missing/incorrect/failing test scores, missing endorsements, or missing/incorrect</u> <u>CPR/AED/First Aid certifications</u>.

Student Clinical Practice: Internship Application Requirements

TESTING

Since 2015, internship applications must include **all** <u>official and passing</u> test scores must be submitted and in the Mason system (i.e. Banner/PatriotWeb) by the internship application deadline. <u>Allow a minimum of six weeks for official test scores to arrive at Mason</u>. Testing too close to the application deadline means scores will not arrive in time and the internship application <u>will not be accepted</u>.

For Spring 2018 internships, this means that the latest you could test in time for scores to be reported to Mason by September 15th is **August 1**st.

Required tests:

- 1. Praxis Core Academic Skills for Educators Tests (or qualifying substitute)
- 2. VCLA
- 3. RVE (specific programs only...see link below)
- 4. ACTFL (Foreign Language only...unofficial scores are acceptable for this test only)
- 5. Praxis II (content knowledge exam in your specific endorsement area)

For details, please check http://cehd.gmu.edu/teacher/test/

ENDORSEMENTS

Please note that ALL endorsement coursework must be completed, with all transcripts submitted and approved by the CEHD Endorsement Office, prior to the internship application deadline. Since the internship application must be submitted in the semester prior to the actual internship, please make an appointment to meet with the Endorsement Specialist and plan the completion of your Endorsements accordingly.

<u>CPR/AED/First Aid – NEW hands-on training required for licensure!</u>

Due to a recent change in Virginia law, effective July 1, 2017, all new license applications and license renewals must include verification that "hands-on" First Aid/CPR/AED training was completed. This means that applications for spring 2018 internships must also include verification of completing "hands-on" training. <u>After June 30, 2017, the online training will no longer be accepted.</u>

Emergency First Aid, CPR, and Use of AED Certification or Training requirement must be submitted and in the Mason system (i.e. Banner/PatriotWeb) by the application deadline. Students must submit one of the "acceptable evidence" documents listed at http://cehd.gmu.edu/teacher/emergency-first-aid to CEHD Student and Academic Affairs. In order to have the requirement reflected as met in the Mason system, documents can be scanned/e-mailed to CEHDacad@gmu.edu or dropped-off in Thompson Hall, Suite 2300.

DYSLEXIA AWARENESS TRAINING - NEW requirement for licensure!

Effective July 1, 2017, every person seeking initial licensure or renewal of a license shall complete awareness training, provided by VDOE, on the indicators of dyslexia, as that term is defined by the board and regulations, and the evidence-based interventions and accommodations for dyslexia. The training module is located at

http://www.doe.virginia.gov/teaching/licensure/dyslexia-module/story.html. Similar to the Child Abuse Prevention Module, students will need to save and print out the completion certificate at the end of the module.

BACKGROUND CHECKS/FINGERPRINTING

All local school systems require students to complete a criminal background check through their human resources office (<u>not</u> through George Mason University) **prior to beginning the internship**. Detailed instructions on the process will be sent to the student from either the school system or Mason.

When applying for their background check/fingerprinting, students are **strongly advised** to disclose any/all legal incidents that may appear on their records. School divisions can and will withhold internship placement if discrepancies are found between a student's disclosure and their official judicial record. Students must assume the risk that classes may be deferred and their program progress delayed or altered due to the individual severity of notations on such a check and review by individual agencies.

PLEASE NOTE:

Your G# must be clearly noted (visible and legible) on the face of any & all documents that you submit.
