Prerequisites/Corequisites

Admission to the Counseling and Development program and EDCE 603 or concurrent

University Catalog Course Description

Introduces substance abuse counseling. Covers addiction issues, diagnosis and treatment planning, and individual and group counseling strategies with diverse populations.

Course Overview

Introduction to Substance Abuse Counseling provides students with a survey of both historical and current use of narcotics and dangerous drugs. Students will be taught about the nature of addiction, and its impact on individuals and their families. Classroom discussions will examine assessment methods, diagnosis, and treatment modalities for those struggling with substance abuse and addiction. Prevention strategies for those at risk for substance abuse will also be reviewed.

Course Delivery Method

This course is designed to enable students to develop their own learning goals. A variety of reading material and experiential activities will be provided during this course. Students should come to class prepared to actively participate in class discussion and activities. Class activities will include lecture, small group work, experiential exercises, and videos. Each student will provide a case study as a focus for exploration during the semester and tailor each of the assignments to explore the focus.

Learner Outcomes or Objectives

This course is designed to enable students to do the following:

1. Understand the impact on the family system
2. Examine your own and others beliefs about students with substance abuse issues
3. Gain an understanding counseling approaches to initiate behavioral changes
4. Gain and understanding of the impact substance abuse has on students educational experience
5. Understand the role of counselors working with substance abusing clients and their families

Professional Standards (CACREP)

EDCD 652 meets the requirements that all Masters students take credits in Substance Abuse Counseling course work. This 3-credit course will contribute to the counseling student's knowledge of a particular population of clients.

EDCD 652 fulfills the requirements of the following professional organizations:

- Virginia department of Education requirement for school counseling licensure that candidates understand the knowledge, skills and processes of individual counseling.
- Virginia Department of Health Professions requirement that Licensed Professional Counselor candidates complete graduate study in theories and techniques of counseling and psychotherapy.
- American Counseling Association Code of Ethics requirement that counselors establish education and training programs that integrate academic study and supervised practice.

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy). Late assignments will not be accepted unless prior arrangements are made with the instructor, subject to approval by the instructor. **All assignments must be submitted on Blackboard unless otherwise specified by the instructor.**

- **Assignments and/or Examinations**

Reaction Papers (30 points): You will be given two out-of-class experiential assignments to complete, with a reaction paper required for each. The paper should include a description of your experience, and the thoughts and awareness generated from the assignment. Specific questions may be provided or discussed in class. The length of the reaction should be between 3-4 pages (excluding title page). Papers should be double-spaced, and utilize Times New Roman 12-point font. APA style writing is required.

Book Assignment (20 points): You will select one non-fiction book with addiction as a central theme (a list of approved books will be provided). You will then write a reaction paper to include a synopsis of the account, and most importantly, your thoughts, reactions, and opinions relating to the story, and how the work fits/integrates material from the class. The length of the paper should be between 4-5 pages (excluding title and reference page). Papers should be double-spaced, and utilize Times New Roman 12-point font. APA style writing is required.

Case Study Group Project (30 points): You will complete an assessment of an individual with addiction who is represented in a movie or television show, and present these findings to the class. Examples of appropriate programs will be discussed in class, and the instructor must approve all chosen media. The presentation should include a representative video clip, as well as assessment findings, developed from objective observations of the video and a

hypothetical clinical interview. You will also be required to provide a DSM-V diagnostic impression and recommendations for treatment. A reference list of resources must be included.

Midterm Check (10 points): The midterm check will be a brief multiple choice quiz based primarily on the textbook readings, as well as concepts covered in class.

Class participation/attendance (10 points): Class participation is both encouraged and expected. Class discussion and exercises will be held on a regular basis and engagement will significantly enhance your learning experience. Please alert the instructor if you will be missing class or significantly late. Only one unexcused absence is permitted, and excessive missed time may impact your grade. The use of any electronic devices, to include lap tops, cell phones and tablets are not permitted during class. Unless there is an emergency, it is expected that all cell phones will be turned off during class time. In general, my grading of class participation is determined as follows:

10: Attends all classes, arrives on-time, and actively participates in most classes

9: Attends all classes, arrives on-time, and moderately participates in most classes OR misses one class (unexcused), arrives on-time, and actively participates in most classes

8: Misses one class, arrives on-time, and moderately participates in most classes

7: Misses one class and/or several times late to class and/or low participation in most classes

6-below: Misses one class and/or chronic lateness and/or minimal participation in most classes
