Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, hard copy).

- **Assignments and Examinations**

The homework and practice test = 40 points.

Home work is practicing the dances learned in class. The practice exam will determine the grade for homework.

Attendance =70 points

5 points will be given each day with a deduction of 1 point for each five-minutes that a student is late. Attendance/Participation score will be the number of points a student gains each day. Absences AND tardies are not excused without a doctor's note. The doctor's note must be presented immediately upon returning to class with the dates the student is to be excused and a statement of what the student can and cannot do in yoga.

**One letter-grade will be deducted for two unexcused absences.

**Emailing the instructor does not excuse the student from class. Doctor's notes are needed to excuse absences. Doctor's notes must be submitted immediately upon return to class.

A student will be considered late if they arrive after the class period begins and leaving more than 10minutes before the end of the class will be considered an early departure. One absence is permitted. Two "tardies" will equal one absence as will two "early departures." If a student has two absences, he/she will lose 5 grade points, for 3 absences he/she will lose 10 points and beyond that 15 points will be lost.

Written Exam = 20 points – Will cover terms, history, and short essay of items covered in class.

*Also, extra credit project is available for those who wish to boost grades and are

ambitious to learn additional material in terms of dance steps.*

OPTIONAL EXTRA CREDIT: (2 Types-Select one – Can earn up to 5 additional points)

1. Attend two classes outside of GMU that cover one or more of the dances we are studying in this course. (Classes taught by the instructor can be attended, or classes at any other dance school.) Submit a paper stating the date and location of the classes attended, and describe in a few sentences what you learned.
2. Learn an additional dance from the social ballroom curriculum and demonstrate for the practical.

- **Other Requirements**

Participation-students are required to participate with a good attitude, energy, and good sportsmanship each day. Points will be deducted from total points for lack of any of the above or continued reminders to improve sportsmanship toward the instructor, classmates, and topics covered.
