**University Catalog Course Description**

Introduces practical and experiential activities for students with starting knowledge of backpacking. Involves discussions, demonstrations, and activities that teach the basics of backpacking. Covers equipment selection, map and compass skills, backcountry cooking, staying healthy in the outdoors, safety and emergency procedures, backcountry ethics (Leave No Trace), and natural history.

**Course Overview**

Five classroom sessions, one Saturday field experience and one overnight backpacking trip.

Students will work with the instructor to plan and acquire any necessary equipment for the overnight backpacking trip. Equipment for this class is not provided but can be rented for a fee from GMU's Outdoor Adventures program. For more information on the equipment available and costs, please see <https://recreation.gmu.edu/outdoorlearning/outdooradventures/>.

**Course Delivery Method**

This is an activity class.

**Learner Outcomes or Objectives**

This course is designed to enable students to do the following:

1. Develop necessary skills to plan and execute a multi-day backpacking trip.

2. Use a map and compass as a wilderness travel aid.
3. Plan and prepare meals using backpacking stoves.
4. Present principles of “Leave No Trace” backpacking.
5. Maintain safe and healthy techniques while traveling in the wilderness.
6. Display expedition behavior and outdoor leadership.

## **Professional Standards**

Not Applicable

## **Required Texts**

Handouts and other assigned reading will be distributed in class and or via blackboard & email

## **Course Performance Evaluation**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

- **Assignments and/or Examinations**

- **Leave-No-Trace (LNT) Presentation**

This assignment will be done individually or in groups depending on the size of the class. Each group or individual will be given one of the 7 Leave No Trace principals and is responsible for giving a 10-minute presentation (grades will be given individually). Presentations should be creative employing whatever method chosen to cover the details of the principal that is assigned. Each group will be given a handout with a LNT principal but any resource can be used for the presentations.

- **Mock Trip Plan & Presentation**

This assignment will be done in groups of two. Plan a two-day backpacking trip for you and a friend including a meal plan. Everyone is required to submit a plan following a provided template and conduct a class presentation. The plan and presentation should cover the following topics: goals, location, dates/time of year, personal and group equipment, meal plan, emergency action plan, weather, transportation, permit regulations and points of interest on the trail. Individuals have 10 minutes to present their plan during class with an additional 5 minutes to answer questions by classmates. Trip Plan will include a written meal plan and a demonstration portion during our overnight trip. The meal plan must contain details for each meal including ingredients, equipment required, waste generated, and packing/storage.

○ **Reflection Paper**

Students will be assigned a reflection paper that will be a response to the backpacking trip and how the class dealt with executing their plan, LNT, teamwork and other aspects that were covered in class. The paper must include reflection on the camp meals, our route, our campsite and the overall feelings about the trip.

● **Other Requirements**

Attendance on the weekend backpacking trip is mandatory. All students should demonstrate teamwork, leadership, respect for others, respect for the environment, and cooperation; you earn points towards your grade.
