Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, hard copy).

- **Assignments and Examinations**

Written exams are short answers. The Mid- term exam will be given as “take home” exams. They will be handed out from the instructor, or e-mailed as attachments. The Mid-Term will be handed in on a date to be determined, which will be at the approximate middle point of the semester. Students will have several days to obtain and take the exam. The final written exam will be administered in class hour and will be cumulative. On the consideration that these exams would be given in-class on a specific class day, they will only be accepted on the date specified. No early hand-ins, mailings, or proxy hand-ins will be allowed.

Practical exams will be physical demonstration of skills taught in classes. The Final Exam will be administered as a demonstration on the last scheduled day of class. Students are required to personally attend or make other arrangements with the instructor to take the test. Since outside class assignments are allowed, and are based per hour on the number of credits / weekly class meetings, the taking of this test outside of class requires no more time than would be allotted for outside work. It also avails the students more class time dedicated to learning Brazilian Jiu-Jitsu skills. In the case of the final, it also allows for individual skills evaluation and grading in-class.

- **Other Requirements**

Attendance and Participation – **Sixty (60) points** possible depending on the calendar. **Five (5) points** will be given each day with a deduction of **one (1) point** for each **five (5) minutes** that a student is late. Students must attend the entire class period and

participate in the daily activities to receive full credit for the class. If you attend each class session, are on time and participate as scheduled, you'll receive the full 5 points for that day. Unexcused absences, late arrivals, and lackadaisical performance could significantly affect the grade. Absences are only excused with a doctor's note submitted immediately upon return to class.

- **Course Performance Evaluation Weighting**

- Attendance – 60 points
- Practical Exam – 30 points
- Final written exam – 10 points

- **Grading Policies**

A = 94 – 100	B+ = 88 – 89	C+ = 78 – 79	D = 60 - 69
