If students do not understand the instructor or classmates (or missed a portion of information), please ask the instructor for clarification. Students can ask a classmate by using signs or writing back and forth.

Students are expected to cease voicing the moment they walk into the classroom until the moment they exit the classroom. Students are also expected to continue signing until the instructor has left the room after the class session. It is expected that students will practice ASL with classmates during times they are in the classroom and the instructor is not present.

If voicing becomes a persistent problem, the instructor will ask the student to leave the class for the day; this will count as an absence for the day.

Classroom Etiquette:

All will arrive on time for class, stay the entire period, and will avoid behavior that interferes with the concentration and learning of other students. Attention should be given to the instructor, guest speakers, and fellow students.

→ Use of electronics in class is strictly forbidden. ←
(Pagers, cellphones, laptops, iPods, game systems, etc.)
