Course Policies and Expectations

Attendance/Participation

It is expected that students will attend each class on time.

Students will be allowed three (3) absences without penalty. Each absence afterwards will result in a 10% deduction from the total grade as shown below:

First Absence – no penalty

Second Absence – no penalty

Third Absence – no penalty

Fourth Absence – 10% deduction of the final grade

Fifth Absence – Additional 10% deduction of the final grade (20% off the final grade)

Sixth Absence – Withdraw or fail the course depending on the date

Two (2) late arrivals will be equivalent to one (1) absence which will be applied to the policy stated above.

If a student arrives more than 30 minutes late, it will count as one (1) absence.

Late Work

Any papers, videos, or assignments will not be accepted past due dates.

Other Requirements

Editing ASL videos:

Students are encouraged to edit their ASL videos.

Tips for video journals:

1. Make sure the video is centered and visible where the instructor can see the top of the student's head and the bottom of the student's chest area.
2. Make sure that the background is clean (one-colored wall) and free of "visual noise" (books, DVD's, TV running, kitchen items, dog appearing, etc.).
3. Wear only solid-colored shirts free of logos. The color of the student's shirt should contrast their skin tone. Avoid red, yellow, and orange shades. If students have tattoos on their arms, they should wear long-sleeved shirts.
4. Remove hats and excessive jewelry. Wedding rings and small earrings are ok.
5. If students are sitting, do not swivel.
6. Beds are not appropriate places to create videos.

Note: Any video assignment that does not meet the above criteria will result in a zero for the assignment.

No Voicing Policy:

To enhance students' language acquisition of ASL, a "no voicing" setting will be enforced. Respect the instructor and classmates by refraining from voicing or interpreting for others. If students do not understand the instructor or classmates (or missed a portion of information), please ask the instructor for clarification. Students can ask a classmate by using signs or writing back and forth.

Students are expected to cease voicing the moment they walk into the classroom until the moment they exit the classroom. Students are also expected to continue signing until the instructor has left the room after the class session. It is expected that students will practice ASL with classmates during times they are in the classroom and the instructor is not present.

If voicing becomes a persistent problem, the instructor will ask the student to leave the class for the day; this will count as an absence for the day.
