University Catalog Course Description

Provides the history and basic foundations of Pilates including an introduction to Pilates fundamentals, beginner Pilates exercises and their proper setup and execution; exploration of modifications for certain exercises, building blocks and the various props which may be used in the group class setting.

Course Overview:

The Introduction to Pilates course will provide a combination of lecture and activity within the framework of each class. Students will learn the history behind Pilates and the teachings of Joseph Pilates as well as the current movement of Pilates in the United States today. In addition to the history and current movements in Pilates, the course will give students an overview of the Beginner/Intermediate classical Pilates mat exercises. Students will also have the opportunity to experience the addition of props to the Pilates mat class. Safety considerations while performing Pilates mat exercises will also be discussed.

Course Delivery Method

This is an activity-based course.

Learner Outcome or Objectives

This course is designed to enable students to do the following:

1. Articulate the purpose and history of Pilates based on the teachings of Joseph Pilates.
2. List and define the seven principles of Pilates:
 - A) Centering
 - B) Breathing
 - C) Precision
 - D) Control

- E) Concentration
- F) Flowing Movement

3. Perform Pilates mat exercises and effectively demonstrate exercises in various anatomical positions (supine, prone, sitting, standing, etc.)
4. Utilize props to supplement the mat Pilates workout.

Various Handouts will also be given or posted on Blackboard.

Course Performance Evaluation:

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, hard copy)

Assignments and Examinations

Pilates Journal: Students will record a short reflection on their progress at the end of each class period. This will be an in-class assignment. Please bring a single file folder to class for this purpose.

Final Exam Written: Students will be given an exam which will cover the principles taught within the lecture component of the class each day. The exam will be multiple choice.

Practical Exam: Students will be given the opportunity to demonstrate to the instructor the beginner exercise order which they were able to learn during the course of the semester. The exercises should be presented in a manner where Pilates principles are shown.

Article Presentation: Each student will share with the class an article or blog which they read outside the classroom on a topic which relates to Pilates. A list of various topics will be provided to the students to choose from.

Attendance- Students will receive 5 points for every class attended. Students who arrive late will receive only 4 points for that day. Absences are excused only with a note from a health care provider presented immediately upon return to class or emailed to instructor before returning to class. Phone calls and emails do not excuse absences. If a student has more than one unexcused absence, his or her grade will be dropped 5 points for each absence
