Students may consult the Writing Center for additional writing support.

- **Grading**

The Graduate School of Education (GSE) has approved the following grading policy for ECED internships:

1. The grading scale will be S (Satisfactory), NC (No Credit), or IP (In Progress) in accordance with Mason policy for internships.
2. Degrees of Satisfactory performance by a candidate in Early Childhood Education will be documented on the Teacher Candidate Assessment by the MT and US.
3. The US shall determine the grade after consultation with MT. The US may also consult with the Clinical Practice Director especially when the candidate may receive a No Credit or an In Progress grade.
4. Candidates who receive a No Credit grade will not be recommended for teacher licensure unless they repeat all or part of the internship with satisfactory performance. This may require re-enrolling and paying tuition for additional credit hours in a subsequent semester or paying a fee for extended supervision.
5. Candidates whose performance cannot be evaluated at the end of the grading period will receive a grade of IP (In Progress). An IP grade shall be changed to Satisfactory or No Credit for candidates upon completion of requirements – usually before the beginning of the next semester.

6. In some cases, a grade of No Credit may be accompanied by a recommendation that the candidate not be allowed to repeat the internship. In such cases, the candidate will be counseled out of the licensure program, but not necessarily out of the program.

**Professional Dispositions**

Students are expected to exhibit professional behaviors and dispositions at all times.

**Class Schedule**

Candidates will report to their internship schools daily. They will follow their internship school holidays as determined by the school calendar. Candidates will follow the contract hours of their mentor teacher as determined by the school administrator.
