

**College of Education and Human Development
Division of Special Education and disAbility Research**

Spring 2021

EDSE 784 001: Internship: Adapted Curriculum

CRN: 19903, 3 – 6 Credits

Instructor: Dr. Melissa Ainsworth	Meeting Dates: 01/25/21 – 05/10/21
Phone: 703-993-5496	Meeting Day(s): N/A
E-Mail: mainswor@gmu.edu	Meeting Time(s): N/A
Office Hours: by appointment	Meeting Location: Off Campus; TBD
Office Location: Finely 206A	Other Phone:

Note: This syllabus may change according to class needs. Teacher Candidates/Students will be advised of any changes immediately through George Mason e-mail and/or through Blackboard.

Prerequisite(s):

VCLA, Praxis Core, and other program specific requirements have been met; application for internship on file by program deadline.

Co-requisite(s):

None

Course Description

Applies, in supervised internships, university course work in Adapted Curriculum to instruction of children and their families in school settings.

Advising Contact Information

Please make sure that you are being advised on a regular basis as to your status and progress in your program. Students in Special Education and Assistive Technology programs can contact the Special Education Advising Office at 703-993-3670 or speded@gmu.edu for assistance. All other students should refer to their assigned program advisor or the Mason Care Network (703-993-2470).

Advising Tip

Are you planning to waive one of the two internship requirements for your teacher licensure program? The waiver is not automatic. Be sure to send the waiver documentation (http://cehd.gmu.edu/assets/docs/forms/InternshipWaiv_forms.pdf) to your advisor.

Course Delivery Method

Learning activities include the following:

1. Individual demonstration
2. Classroom observations
3. Discussion and consultation
4. Reflection activities
5. Electronic supplements and activities via Blackboard

This course will be delivered online (76% or more) using a synchronous format via the Blackboard Learning Management system (LMS) housed in the MyMason portal. You will log in to the Blackboard (Bb) course site using your Mason email name (everything before @masonlive.gmu.edu) and email password.

Under no circumstances, may candidates/students participate in online class sessions (either by phone or Internet) while operating motor vehicles. Further, as expected in a face-to-face class meeting, such online participation requires undivided attention to course content and communication.

Technical Requirements

To participate in this course, students will need to satisfy the following technical requirements:

- High-speed Internet access with standard up-to-date browsers. To get a list of Blackboard's supported browsers see: [Browser support](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers) (https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers)

To get a list of supported operation systems on different devices see: [Tested devices and operating systems](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems) (https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems)

- Students must maintain consistent and reliable access to their GMU email and Blackboard, as these are the official methods of communication for this course.
- Students will need a headset microphone for use with the Blackboard Collaborate web conferencing tool.
- Students may be asked to create logins and passwords on supplemental websites and/or to download trial software to their computer or tablet as part of course requirements.

- The following software plug-ins for PCs and Macs, respectively, are available for free download:
 - [Adobe Acrobat Reader](https://get.adobe.com/reader/) (<https://get.adobe.com/reader/>)
 - [Windows Media Player](https://support.microsoft.com/en-us/help/14209/get-windows-media-player) (<https://support.microsoft.com/en-us/help/14209/get-windows-media-player>)
 - [Apple Quick Time Player](http://www.apple.com/quicktime/download/) (www.apple.com/quicktime/download/)

Expectations

- **Course Week:**
Schedule of Classes.
- **Log-in Frequency:**
Students must actively check the course Blackboard site and their GMU email for communications from the instructor, class discussions, and/or access to course materials at least once per week. In addition, students must log-in for all scheduled online synchronous meetings.
- **Participation:**
Students are expected to actively engage in all course activities throughout the semester, which includes viewing all course materials, completing course activities and assignments, and participating in course discussions and group interactions.
- **Technical Competence:**
Students are expected to demonstrate competence in the use of all course technology. Students who are struggling with technical components of the course are expected to seek assistance from the instructor and/or College or University technical services.
- **Technical Issues:**
Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.
- **Workload:**
Please be aware that this course is not self-paced. Students are expected to meet *specific deadlines* and *due dates* listed in the Class Schedule section of this syllabus. It is the student's responsibility to keep track of the weekly course schedule of topics, readings, activities and assignments due.
- **Instructor Support:**
Students may schedule a one-on-one meeting to discuss course requirements, content or other course-related issues. Those unable to come to a Mason campus can meet with the instructor via telephone or web conference. Students should email the instructor to schedule a one-on-one session, including their preferred meeting method and suggested dates/times.
- **Netiquette:**
The course environment is a collaborative space. Experience shows that even an innocent remark typed in the online environment can be misconstrued. Students must always re-read their responses carefully before posting them, so as others do not consider them as personal offenses. *Be positive in your approach with others and*

diplomatic in selecting your words. Remember that you are not competing with classmates but sharing information and learning from others. All faculty are similarly expected to be respectful in all communications.

- Accommodations:
Online learners who require effective accommodations to ensure accessibility must be registered with George Mason University Disability Services.

Learner Outcomes

Upon completion of the course, teacher candidates/students will be able to:

1. Demonstrate understanding of development and the ability to plan and execute curriculum appropriate to the chronological ages, developmental and functional levels of the students being taught.
2. Demonstrate the integration of the theoretical methodology with the practical applications in the field.
3. Demonstrate positive and appropriate interactions with students, families and other professionals. This includes the ability to manage the classroom/resource room, co-teach in a general education setting, develop and enforce classroom expectations, develop strategies to anticipate behaviors and deal with them, and work through transitions during the day. This also includes demonstration of confidentiality when communicating about students with disabilities.
4. Develop and implement developmentally and functionally appropriate intervention activities within a variety of settings, including those that enhance and support integration and/or inclusion as well as those activities that are therapeutically based. This includes demonstration of a positive learning environment geared to the individual as well as the group. This may also be demonstrated in the general classroom environment as well as special education settings.
5. Demonstrate the ability to work collaboratively as part of a team including but not limited to general and special educators and therapists, parents and other related/support staff.
6. Demonstrate the ability to be lead teacher by overseeing the entire classroom while also meeting the individual needs of students, directing/teaming with assistants, and monitoring the ongoing activities and tone of the class. If working with students on an individual basis, demonstrate the ability to plan for that child based on goals and objectives and provide on-going assessment for both the child and the intervention sessions.
7. Demonstrate support within an integrated environment, as appropriate. This includes knowledge of general curriculum specific to the ages and grades of students, ability to modify the general education curriculum as needed, ability to work with general education staff in a manner which enhances the education of the student(s) with disabilities by providing direct or indirect support and the knowledge of how to work with groups of students demonstrating mixed abilities and needs (whether identified as disabled or not).
8. Select and utilize assessment and/or monitoring tools and strategies, including but not limited to county-wide assessments, SOLs, VAAP (as assessed for individual students), etc.
9. Develop developmentally, educationally and functionally appropriate IEPs.
10. Select and utilize workable and useful data/record keeping strategies.

11. Monitor and analyze teaching performance.
12. Demonstrate additional competencies contained in personal goals statement or delineated by the cooperating teacher and/or university supervisor.

Professional Standards

(Council for Exceptional Children [CEC] and the Interstate Teacher Assessment and Support Consortium [InTASC]). Upon completion of this course, students will have met the following professional standards: CEC Standard 2: Learning environments (InTASC 3); CEC Standard 4: Assessment (InTASC 6); CEC Standard 5: Instructional planning and strategies (InTASC 7,8); CEC Standard 6: Professional learning and ethical practice (InTASC 9) & CEC Standard 7: Collaboration (InTASC 10).

This course contains at least one Common Assessment developed by the College of Education and Human Development to assess our candidates' performance on nationally accepted standards for beginning teachers (InTASC) and our programs' performance on national accreditation standards (CAEP).

Evidence-Based Practices

This experience will help interns apply evidence-based practices (EBPs) that can be used in their teaching to improve outcomes for students with disabilities.

Required Texts

Special Education Internship Handbook for Spring 2021

Recommended Texts

American Psychological Association. (2020). *Publication manual of the American Psychological Association* (7th ed.). <https://doi.org/10.1037/0000165-000>

Required Resources

Access to Blackboard and Mason email, and access to other virtual communication tools (e.g. Zoom, OneDrive) as needed

Course Performance Evaluation

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, VIA, hard copy).

VIA Performance-Based Assessment Submission Requirement

It is critical for the special education program to collect data on how our students are meeting accreditation standards. Every teacher candidate/student registered for an EDSE course with a required Performance-based Assessment (PBA) is required to upload the PBA to VIA (regardless of whether a course is an elective, a one-time course or part of an undergraduate minor). A PBA is a specific assignment, presentation, or project that best demonstrates one or more CEC, InTASC or other standard connected to the course. A PBA is evaluated in two ways. The first is for a grade, based on the instructor's grading rubric. The second is for program accreditation purposes. Your instructor will provide directions as to how to upload the PBA to VIA.

For EDSE 784, the required PBA is Clinical Experience Continuum AND Log of Hours (All Programs). Please check to verify your ability to upload items to VIA before the PBA due date.

As of Spring 2016, teacher candidates are also required to upload to VIA their completed reflection video analysis assessment. A description and the rubric for this assignment can be found in Appendix J of the SPED Internship handbook. <https://cehd.gmu.edu/teacher/internships-field-experience>

Assignments and/or Examinations

Performance-based Assessment (VIA submission required)

- Internship Rubric (Assessment A; see Internship Handbook)

College Wide Common Assessment (VIA submission required)

This course contains at least one Common Assessment developed by the College of Education and Human Development to assess our candidates' performance on nationally accepted standards for beginning teachers (InTASC) and our programs' performance on national accreditation standards (CAEP).

- Teacher Candidate Dispositions Rating (Assessment B; see Internship Handbook)

Other Assignments

- Log of Hours (Form 1 in Internship Handbook; all completed/signed pages uploaded to the Forms page of Blackboard)
- Internship Summary and Final Grade (Form 2 in Internship Handbook; all completed/signed pages uploaded to the Forms page of Blackboard)
- Observation Summary Report (Form 3 in Internship Handbook; all completed reports [at least 3 completed by the University Supervisor, at least 2 completed by Mentor Teacher for traditional teacher candidates only] uploaded to the Forms page in Blackboard)
- Weekly Reflection (Form 4 in the Internship Handbook; uploaded to the Forms page of Blackboard)
- End-of-Internship Evaluation (CEHD-wide evaluation completed online prior to internship completion)

Other Assignments

- Lesson plans, observations, and pre- and/or post-observation conferences (see Internship Handbook)
- Any other assignments may be assigned at the University Supervisor's discretion

Course Policies and Expectations

Attendance/Participation

Please refer to the *Special Education Internship Handbook* for internship policies and expectations

Late Work

All internship activities and assignments are scheduled between the University Supervisor, Mentor Teacher, and Teacher Candidate. If an assignment cannot be completed as required, the Teacher Candidate must notify the University Supervisor and Mentor Teacher in advance and must work with the University Supervisor and Mentor Teacher to reschedule or adjust the deadline accordingly. Note that submission of all assignments in accordance with the agreed upon schedule increases the likelihood of on-time completion of internship requirements.

Other Requirements

- Candidates must dress professionally and exhibit professional behavior in their assigned school at all times. Candidates must read their assigned school's faculty handbook and conform to the professional expectations of that school. If a Candidate cannot find a copy of the faculty handbook, he/she should contact the Mentor Teacher. Candidates should also note that Mentor Teachers and University Supervisors evaluate a Candidate's teaching dispositions and professionalism during the internship (see the Teacher Candidate Dispositions Rating in the Internship Handbook).
- **Holidays and Vacations:** Candidates must follow the calendar of their assigned school for their internship. The school's calendar may be different from George Mason's calendar during the semester of internship. The Teacher Candidate always follows the calendar of the assigned school during internship. This applies to Thanksgiving and spring break holidays as well.
- **Teacher Candidates and Substitute Teachers:** Traditional Internship Candidates may NOT act as substitute teachers under any circumstance. A school division-designated substitute teacher must be provided when a Mentor Teacher is absent.
- **Important Considerations:** If Candidates do not comply with on-site school expectations, school divisions have the right to request the Candidate be removed from the assigned school. There is no guarantee that a Teacher Candidate will be approved for an alternate assignment or location. Candidates who do not uphold the professional behaviors and dispositions promoted by CEHD may be removed from internship and/or referred to the Office of Student and Academic Affairs as needed. On-site school expectations include the social media presence of Teacher Candidates. The Teacher Candidate Dispositions Rating (see Internship Handbook) includes the expectations for teaching dispositions. Each school site has faculty

expectations outlined in a faculty handbook. Candidates are strongly encouraged to purchase professional liability insurance through membership in the Student Virginia Education Association, the Council for Exceptional Children, or through a private carrier in case of civil legal action. Candidates employed by a school division are encouraged to purchase additional coverage to supplement what is provided.

- Accommodations in Internships: Students must be able to perform the essential functions of the internship site assigned with or without an accommodation. Contact Disability Services (ods@gmu.edu) for questions related to accommodations.

Grading Scale

(From the Internship Handbook)

Grades for the internship are:

- S Satisfactory: Teacher Candidate successfully meets the clinical internship requirements and can be recommended for teacher licensure.
- NC No Credit: Teacher Candidate will not be recommended for teacher licensure unless he/she repeats all or part of the internship with satisfactory performance. This may require enrolling and paying tuition for additional credit hours in a subsequent semester or paying a fee for extended supervision. In some cases, a grade of NC may be accompanied by a recommendation that the Teacher Candidate not be allowed to repeat the internship. In such cases, the Candidate may be counseled out of the licensure program although not necessarily out of the degree program.
- IP In Progress: The Teacher Candidate's performance cannot be evaluated at the end of the grading period. IP grade can be changed to S or NC upon completion of requirements.

***Note:** The George Mason University Honor Code will be strictly enforced. See [Academic Integrity Site \(https://oai.gmu.edu/\)](https://oai.gmu.edu/) and [Honor Code and System \(https://catalog.gmu.edu/policies/honor-code-system/\)](https://catalog.gmu.edu/policies/honor-code-system/). Students are responsible for reading and understanding the Code. "To promote a stronger sense of mutual responsibility, respect, trust, and fairness among all members of the George Mason University community and with the desire for greater academic and personal achievement, we, the student members of the university community, have set forth this honor code: Student members of the George Mason University community pledge not to cheat, plagiarize, steal, or lie in matters related to academic work." Work submitted must be your own new, original work for this course or with proper citations.

Professional Dispositions

Students are expected to exhibit professional behaviors and dispositions at all times. See [Policies and Procedures \(https://cehd.gmu.edu/students/policies-procedures/\)](https://cehd.gmu.edu/students/policies-procedures/). Students are expected to exhibit professional behaviors and dispositions at all times. In the College of Education and Human Development, dispositions are formally and separately evaluated in at least two points in each student's program – a self-evaluation at the start of their program, and a

university supervisor's evaluation during internship. In special education licensure programs, the self-evaluation is an online survey distributed via email upon program entry for graduate students and within initial courses (EDSE 241, EDSE 361, and EDSE 311) for undergraduate students. When dispositions are assessed, it is important that for areas where a positive disposition is 'occasionally evident' or 'rarely evident,' the student takes steps to grow as an educator. See <https://cehd.gmu.edu/epo/candidate-dispositions>.

Class Schedule

*Note: Faculty reserves the right to alter the schedule as necessary, with notification to students.

The Teacher Candidate, Mentor Teacher, and University Supervisor work together to determine the schedule of observations and activities. Therefore, the Triad should agree upon the basic schedule during the initial meeting of the internship.

Core Values Commitment

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: See [Core Values \(http://cehd.gmu.edu/values/\)](http://cehd.gmu.edu/values/).

GMU Policies and Resources for Students

Policies

- Students must adhere to the guidelines of the Mason Honor Code. See [Honor Code and System \(https://catalog.gmu.edu/policies/honor-code-system/\)](https://catalog.gmu.edu/policies/honor-code-system/).
- Students must follow the university policy for Responsible Use of Computing. See [Responsible Use of Computing \(http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/\)](http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor. See [Disability Services \(https://ds.gmu.edu/\)](https://ds.gmu.edu/).
- Students must silence all sound emitting devices during class unless otherwise authorized by the instructor.

Campus Resources

- Support for submission of assignments to either Tk20 or VIA should be directed to <https://cehd.gmu.edu/aero/assessments/>

- Questions or concerns regarding use of Blackboard should be directed to [Blackboard Instructional Technology Support for Students](https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/) (<https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/>).

Notice of mandatory reporting of sexual assault, interpersonal violence, and stalking:

- As a faculty member, I am designated as a “Responsible Employee,” and must report all disclosures of sexual assault, interpersonal violence, and stalking to Mason’s Title IX Coordinator per University Policy 1202. If you wish to speak with someone confidentially, please contact one of Mason’s confidential resources, such as Student Support and Advocacy Center (SSAC) at 703-380-1434 or Counseling and Psychological Services (CAPS) at 703-993-2380. You may also seek assistance from Mason’s Title IX Coordinator by calling 703-993-8730, or emailing the [Title IX Coordinator](mailto:titleix@gmu.edu) (titleix@gmu.edu).
- For information on student support resources on campus, see [Student Support Resources on Campus](https://ctfe.gmu.edu/teaching/student-support-resources-on-campus) (<https://ctfe.gmu.edu/teaching/student-support-resources-on-campus>).
- For additional information on the College of Education and Human Development, please visit our website [College of Education and Human Development](http://cehd.gmu.edu/) (<http://cehd.gmu.edu/>).

Appendix

Assessment Rubric(s)

CEC Standard 2: Learning Environments

<i>CEC Key Element</i>	1 Does Not Meet	2 Meets	3 Exceeds	Evidence
2b. Motivates students with moderate to severe exceptionalities through interesting and challenging activities.	Candidate fails to develop interesting and challenging activities to motivate students with moderate to severe exceptionalities.	Candidate motivates students with moderate to severe exceptionalities through interesting and challenging activities.	Candidate takes student interests and abilities into consideration and designs a variety of learning activities, which motivate and challenge students with moderate to severe exceptionalities. Candidate uses evidence-based practices to motivate students with moderate to severe exceptionalities.	
2c. Organizes, develops, and sustains a safe, equitable, positive and	Candidate organizes, develops, and sustains a safe, equitable,	Candidate organizes, develops, and sustains a safe, equitable,	Candidate solicits student input and provides opportunities for choice making in order to organize,	

supportive learning environment in which diversities are valued.	positive and supportive learning environment but fails to demonstrate that diversities are valued.	positive and supportive learning environment in which diversities are valued.	develop and sustain a safe, equitable, positive and supportive learning environment. Candidate analyzes students' linguistic and cultural background and considers the class diversity while establishing the learning environment.	
2d. Designs learning environments that encourage active participation in individual and group activities and encourage student independence.	Candidate fails to design learning environments that encourage participation in individual and group activities or to encourage student independence.	Candidate designs learning environments that encourage active participation in individual and group activities and encourage student independence.	Candidate designs learning environments that are multisensory, integrates social skills instruction and strategies for enhancing motivation for each individual student and the group as a whole as they design learning environments that encourage active participation in individual and group activities and encourage student independence.	
2e. Modifies the learning environment to manage behaviors, time, space, and materials to keep students with moderate to severe exceptionalities productively involved in learning.	Candidate fails to modify the learning environment to manage behaviors, time, space, and materials to keep students with moderate to severe exceptionalities productively involved in learning.	Candidate modifies the learning environment to manage behaviors, time, space, and materials to keep students with moderate to severe exceptionalities productively involved in learning.	Candidate modifies the learning environment to manage behaviors, time, space, and materials to keep students with moderate to severe exceptionalities productively involved in learning. Candidate establishes clear classroom procedures, discourages disruptions, and promotes interaction with students with moderate to severe exceptionalities.	
2h. Communicates high expectations while respecting and valuing individual	Candidate fails to communicate high expectations for all students with moderate to severe exceptionalities.	Candidate promotes appropriate student behavior through clear communication of high	Candidate communicates high expectations; develops an awareness of student behavior within the context of student background and cultural diversity.	

differences and cultural diversity.		expectations for all students with moderate to severe exceptionalities.		
-------------------------------------	--	---	--	--

CEC Standard 4: Assessment

<i>CEC Key Element</i>	1 Does Not Meet	2 Meets	3 Exceeds	Evidence
4b. Plans for using various methods to assess students' learning.	Candidate fails to plan for using various methods to assess students' learning.	Candidate plans for using various methods to assess students' learning.	Candidate plans for using various evidence-based methods to assess students' learning.	
4c. Regularly monitors student progress and assesses for understanding and mastery through observation of students' performance and evaluation of their work.	Candidate fails to monitor student progress and assesses for understanding and mastery through observation of students' performance and evaluation of their work.	Candidate regularly monitors student progress and assesses for understanding and mastery through observation of students' performance and evaluation of their work.	Candidate plans and implements ongoing assessments to check for understanding and mastery of concepts through observation of students' performance and evaluation of their work and clearly communicates their assessment findings to the students with moderate to severe exceptionalities and other key stakeholders.	
4f. Develops or modifies individualized assessment strategies.	Candidate fails to develop or modify individualized assessment strategies.	Candidate develops or modifies individualized assessment strategies.	Candidate develops, modifies, and uses clinical judgment upon individualized assessment strategies in order to gather a variety of data for instructional decision-making.	

CEC Standard 5: Instruction

CEC Key Element	1 Does Not Meet	2 Meets	3 Exceeds	Evidence
5a. Selects, adapts, and implements a variety of evidence-based practices validated for specific characteristics of learners with moderate to severe exceptionalities and settings.	Candidate selects and implements a variety of evidence-based practices but fails to make differentiate instruction on an individual level to promote student understanding of academic learning for all students with moderate to severe exceptionalities.	Candidate selects, adapts, and implements a variety of evidence-based practices validated for specific characteristics of learners with moderate to severe exceptionalities and settings.	Candidate implements multiple evidence-based practices, resources, and technologies in units of instruction that promote student understanding of academic learning for all students with moderate to severe exceptionalities.	
5b. Selects a variety of learning experiences, media and materials to accommodate different styles and levels of learning.	Candidate selects only one type of learning experiences/adaptations, media and materials including technology.	Candidate selects a variety of learning experiences/adaptations, media and materials (including technology) to accommodate different styles and levels of learning.	Candidate selects, adapts, and implements a variety of learning experiences/adaptations, media and materials (including technology) to accommodate different styles and levels of learning.	
5c. Adapts pacing, methods, and materials utilizing feedback from students with moderate to severe exceptionalities.	Candidate provides inappropriate or poor adaptations of pacing, methods and materials.	Candidate adapts pacing, methods, and materials based on performance data of students with moderate to severe exceptionalities.	Candidate adapts pacing, methods, and materials based on performance data of students with moderate to severe exceptionalities and uses clinical judgment on the efficacy of these instructional decisions.	

5f. Demonstrates competence in using technology to achieve instructional objectives.	Candidate fails to demonstrate competence in using technology to teach students to learn instructional objectives.	Candidate demonstrates competence in using technology to teach students to learn instructional objectives.	Candidate demonstrates high levels of skill in using technology to teach students to learn instructional objectives.	
5g. Uses strategies to support and enhance communication skills of individuals with exceptional learning needs.	Candidate uses limited strategies to support and enhance communication skills of individuals with exceptional learning needs.	Candidate uses strategies to support and enhance communication skills of individuals with exceptional learning needs.	Candidate uses evidence based practices, appropriate AAC and assistive technology, and modeling to support and enhance communication skills of individuals with exceptional learning needs.	
5h. Uses communication strategies and resources to facilitate understanding of subject matter for individuals with exceptional learning needs whose primary language is not the dominant language.	Candidate uses limited strategies to individualize the curriculum to facilitate understanding of subject matter for individuals with exceptional learning needs whose primary language is not the dominant language.	Candidate uses communication strategies and resources to facilitate understanding of subject matter for individuals with exceptional learning needs whose primary language is not the dominant language.	Candidate uses evidence based communication strategies, appropriate technology, collaboration with ELL teachers, and resources to facilitate understanding of subject matter for individuals with exceptional learning needs whose primary language is not the dominant language.	
5k. Plans a sequence of activities, which are focused on achievement of the instructional objective(s).	Candidate plans a sequence of activities which is not focused on the achievement of the instructional objective(s).	Candidate plans a sequence of activities, which are focused on achievement of the instructional objective(s).	Candidate plans a sequence of activities that is focused on achievement of the instructional objective(s) and builds off of students' prior knowledge, life experiences and interests.	

5m. Gathers, creates, and organizes materials and equipment in advance.	Candidate uses class time to gather and organize materials due to their inability to prepare in advance.	Candidate gathers, creates, and organizes materials and equipment in advance.	Candidate gathers a variety of materials and equipment in advance of class and uses instructional assessments to make decisions about which materials are most appropriate for each individual with exceptional learning needs.	
5n. Incorporates and implements instructional and assistive technology into the educational program.	Candidate fails to incorporate instructional and assistive technology into the educational program.	Candidate incorporates and implements instructional and assistive technology into the educational program.	Candidate incorporates and implements a variety of instructional and assistive technology into the educational program on a daily basis to meet the needs of individuals with exceptional learning needs.	
5o. Evaluates and modifies instructional practices in response to ongoing assessment data.	Candidate fails to use assessment data to make instructional decisions.	Candidate evaluates and modifies instructional practices in response to ongoing assessment data.	Candidate evaluates individual's learning progress and assessment data to develop individual and group profiles that reflect progress of all students with moderate to severe exceptionalities and addresses levels of need and learning accomplishments.	
5q. Presents content accurately and instructions clearly.	Candidate presents content inaccurately and instructions in an unclear manner.	Candidate presents content accurately and instructions clearly.	Candidate presents content accurately and instructions clearly using a variety of presentation modalities.	

CEC Standard 6: Professional and Ethical Practice

CEC Key Element	1 Does Not Meet	2 Meets	3 Exceeds	Evidence

---	--------------------------	---	---	--

CEC Standard 7: Collaboration

<i>CEC Key Element</i>	1 Does Not Meet	2 Meets	3 Exceeds	Evidence
7a. Communicates regularly with parents and involves them in problem solving and learning activities.	Candidate fails to provide evidence of planning to collaborate with parents.	Candidate communicates regularly with parents and involves them in problem solving and learning activities.	Candidate communicates regularly with family members and collaborates in order to increase student learning through and to engage additional support when needed.	
7c. Maintains confidential communication about students with moderate to severe exceptional learning needs.	Candidate shares confidential information about students with moderate to severe exceptional learning needs with outside parties.	Candidate maintains confidential communication about students with moderate to severe exceptional learning needs.	Candidate maintains confidential communication about students with moderate to severe exceptional learning needs and is observed stressing the importance of confidentiality with other stakeholders including paraprofessionals.	
7d. Fosters respectful and beneficial relationships between families and professionals.	Candidate is disrespectful when dealing with families and professionals.	Candidate fosters respectful and beneficial relationships between families and professionals.	Candidate fosters respectful and beneficial relationships between families and professionals and uses clinical judgment in order to continuously improve communication and collaboration efforts.
