<b>Office Location:</b> N/A	<b>Other Phone:</b> N/A

**Note:** This syllabus may change according to class needs. Teacher Candidates/Students will be advised of any changes immediately through George Mason e-mail and/or through Blackboard.

**Prerequisite(s):**

Teaching licensure, or enrollment in graduate degree program in education

**Co-requisite(s):**

None

**Course Description**

Provides professionals in special education, regular education, and related fields with knowledge and communication skills necessary for collaborative consultation and technical assistance to other educators and service providers.

**Advising Contact Information**

Please make sure that you are being advised on a regular basis as to your status and progress in your program. Students in Special Education and Assistive Technology programs can contact the Special Education Advising Office at 703-993-3670 or [speced@gmu.edu](mailto:speced@gmu.edu) for assistance. All other students should refer to their assigned program advisor or the Mason Care Network (703-993-2470).

**Advising Tip**

Did you know that to receive your teaching license you need to submit your request to VDOE? Depending on your situation, you can either submit your paperwork to VDOE through your

county HR office or through GMU. For instructions, visit <http://cehd.gmu.edu/teacher/instructions>.

### **Course Delivery Method**

Learning activities include the following:

1. Class lecture and discussion
2. Application activities
3. Small group activities and assignments
4. Video and other media supports
5. Research and presentation activities
6. Electronic supplements and activities via Blackboard

This course will be delivered online (76% or more) using an asynchronous format via the Blackboard Learning Management system (LMS) housed in the MyMason portal. You will log in to the Blackboard (Bb) course site using your Mason email name (everything before @masonlive.gmu.edu) and email password. The course site will be available on Tuesday, 5/18.

Under no circumstances, may candidates/students participate in online class sessions (either by phone or Internet) while operating motor vehicles. Further, as expected in a face-to-face class meeting, such online participation requires undivided attention to course content and communication.

### **Technical Requirements**

To participate in this course, students will need to satisfy the following technical requirements:

- High-speed Internet access with standard up-to-date browsers. To get a list of Blackboard's supported browsers see: [Browser support \(https://help.blackboard.com/Learn/Student/Getting\\_Started/Browser\\_Support#supported-browsers\)](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers)

To get a list of supported operation systems on different devices see: [Tested devices and operating systems \(https://help.blackboard.com/Learn/Student/Getting\\_Started/Browser\\_Support#tested-devices-and-operating-systems\)](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems)

- Students must maintain consistent and reliable access to their GMU email and Blackboard, as these are the official methods of communication for this course.
- Students may be asked to create logins and passwords on supplemental websites and/or to download trial software to their computer or tablet as part of course requirements.
- The following software plug-ins for PCs and Macs, respectively, are available for free download:
  - [Adobe Acrobat Reader \(https://get.adobe.com/reader/\)](https://get.adobe.com/reader/)

- [Windows Media Player](https://support.microsoft.com/en-us/help/14209/get-windows-media-player) (<https://support.microsoft.com/en-us/help/14209/get-windows-media-player>)
- [Apple Quick Time Player](http://www.apple.com/quicktime/download/) ([www.apple.com/quicktime/download/](http://www.apple.com/quicktime/download/))

### ***Expectations***

- **Course Week:**  
Because asynchronous courses do not have a “fixed” meeting day, our week will start on 5/19 and finish on 7/21. Our course week will begin on the day that our synchronous meetings take place as indicated on the Schedule of Classes.
- **Log-in Frequency:**  
Students must actively check the course Blackboard site and their GMU email for communications from the instructor, class discussions, and/or access to course materials at least 2 times per week. In addition, students must log-in for all scheduled online synchronous meetings. **Failure to attend synchronous meetings will result in a 7-point final grade reduction for each session missed.**
- **Participation:**  
Students are expected to actively engage in all course activities throughout the semester, which includes viewing all course materials, completing course activities and assignments, and participating in course discussions and group interactions.
- **Technical Competence:**  
Students are expected to demonstrate competence in the use of all course technology. Students who are struggling with technical components of the course are expected to seek assistance from the instructor and/or College or University technical services.
- **Technical Issues:**  
Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.
- **Workload:**  
Please be aware that this course is NOT self-paced or on-demand! Students are expected to meet *specific deadlines* and *due dates* listed in the Class Schedule section of this syllabus. It is the student’s responsibility to keep track of the weekly course schedule of topics, readings, activities and assignments due.
- **Instructor Support:**  
Students may schedule a one-on-one meeting by phone or Zoom to discuss course requirements, content or other course-related issues.. Students should email the instructor to schedule a one-on-one session, including their preferred meeting method and suggested dates/times.
- **Netiquette:**  
The course environment is a collaborative space. Experience shows that even an innocent remark typed in the online environment can be misconstrued. Students must always re-read their responses carefully before posting them, so as others do not consider them as personal offenses. *Be positive in your approach with others and diplomatic in selecting your words.* Remember that you are not competing with

classmates but sharing information and learning from others. All faculty are similarly expected to be respectful in all communications.

- Accommodations;  
Online learners who require effective accommodations to ensure accessibility must be registered with George Mason University Disability Services.

### **Learner Outcomes**

Upon completion of this course, teacher candidates/students will be able to:

1. Define collaboration, consultation, and teamwork and explain the essential characteristics of each;
2. Identify variables that may facilitate or constrain participation in collaboration, consultation, or teamwork settings;
3. Demonstrate communication skills of listening, avoiding communication roadblocks, dealing with resistance, being appropriately assertive, and resolving conflicts;
4. Apply problem-solving techniques in collaborating with professional colleagues, parents, and related and ancillary personnel to provide for students' learning and behavioral needs;
5. Develop self-assessment techniques for improving consultative and collaboration skills.
6. Plan activities that implement effective consultation and collaboration techniques.
7. Develop an Individualized Education Plan

### **Professional Standards**

(Council for Exceptional Children [CEC] and the Interstate Teacher Assessment and Support Consortium [InTASC]). Upon completion of this course, students will have met the following professional standards: CEC Standard 1: Learner Development and Individual Learning Differences (InTASC 1,2); CEC Standard 3: Curricular content knowledge (InTASC 4,5); CEC Standard 5: Instructional planning and strategies (InTASC 7,8); CEC Standard 6: Professional learning and ethical practice (InTASC 9) & CEC Standard 7: Collaboration (InTASC 10).

### **Evidence-Based Practices**

This course will incorporate the evidence-based practices (EBPs) relevant to communication, collaboration, and consultation. Evidence for the selected research-based practices is informed by meta-analysis, literature reviews/synthesis, the technical assistance networks which provide web-based resources, and the national organizations whose mission is to support students with disabilities. We address both promising and emerging practices in the field of special education. This course will provide opportunities for teacher candidates/students to take an active, decision-making role to thoughtfully select, modify, apply, and evaluate EBPs in order to improve outcomes for students with disabilities.

### **Required Texts (there are 2)**

1. Friend & Cook, *Interactions: Collaboration Skills for School Professionals* (2017, 8<sup>th</sup> ed.). Boston, MA: Pearson. ISBN 9780134168548
2. Gibb & Dyches, *Guide to Writing Quality Individualized Education Programs* (2016, 3<sup>rd</sup> ed.). Boston, MA: Pearson. ISBN 9780133949520

## **Recommended Texts**

American Psychological Association. (2020). *Publication manual of the American Psychological Association* (7th ed.). <https://doi.org/10.1037/0000165-000>

## **Required Resources**

Know how to use Zoom!

## **Additional Readings**

As assigned on Blackboard

## **Course Performance Evaluation**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, VIA, hard copy).

## **VIA Performance-Based Assessment Submission Requirement**

It is critical for the special education program to collect data on how our students are meeting accreditation standards. Every teacher candidate/student registered for an EDSE course with a required Performance-based Assessment (PBA) is required to upload the PBA to VIA (regardless of whether a course is an elective, a one-time course or part of an undergraduate minor). A PBA is a specific assignment, presentation, or project that best demonstrates one or more CEC, InTASC or other standard connected to the course. A PBA is evaluated in two ways. The first is for a grade, based on the instructor's grading rubric. The second is for program accreditation purposes. Your instructor will provide directions as to how to upload the PBA to VIA.

For EDSE 662, the required PBA is Individualized Education Program Project. Please check to verify your ability to upload items to VIA before the PBA due date.

## ***Assignments and/or Examinations***

### **Performance-based Assessment (VIA submission required)**

Assignments → Individualized Education Program Project - CAEP Assessment).  
For EDSE 662, the required PBA is Individualized Education Program Project.  
Please check to verify your ability to upload items to Tk20 before the PBA due date

### **College Wide Common Assessment (VIA submission required)**

In the Individualized Education Program assignment/project, EDSE 662 candidates demonstrate:

- Their abilities to develop the critical components of an Individualized Education Program (IEP) for a student with a mild to moderate exceptional learning need and

- Understanding of how these components come together to build a framework for the K-12 student subject's educational program. This project is introduced in the section below, "Major Learning Activities". The full project description and accompanying supporting materials, including the project assessment rubric, are posted on the course Blackboard site (Assignments → Individualized Education Program Project - CAEP Assessment).

### **Performance-based Common Assignments**

**(No VIA submission required)**

N/A

### ***Other Assignments***

**Code of Ethics Assignment. See Blackboard for Rubric**

1. Review the GMU CEHD Professional Dispositions at <http://cehd.gmu.edu/teacher/professional-disposition> and the CEC Special Education Professional Ethical Principles at <https://www.cec.sped.org/Standards/Ethical-Principles-and-Practice-Standards>
2. Then reflect upon all you've learned about students, families, instruction, and collaborative practices in your program and work-related experiences. Develop a minimum of 10 professional ethics that you will strive to honor and abide by as you work in the field of special education and that represent your core values and beliefs about stakeholders, practices, and non-negotiables. Each ethic should have a thorough rationale accompanying it. You do not need to cite specific research, but it should be clear to the reader that your values are informed by your studies and professional experiences. This paper should have an introduction and conclusion in narrative format and individual ethics may be presented in an expanded list form. Your paper will be approximately 5-8 single-spaced pages in length, in APA format.

### ***Assignment Summary***

IEP Assignment: 40 points  
 Code of Ethics: 20 points  
 4 Quizzes: 20 points  
 4 Reflections: 20 points  
 Total = 100 points

### **Course Policies and Expectations**

#### ***Attendance/Participation***

Attendance for 3 Zoom sessions and group participation on final project is mandatory. There is a significant grade penalty for missing a Zoom class.

### ***Late Work***

- All assignments are required to be completed and submitted on time.
  - Students must notify the instructor in advance of assignment deadlines if requesting an extension. Extensions will be granted for **one** week for **one** assignment only, and there will be no extensions past the course end date.

### **Grading**

95-100% = A

90-94% = A-

84-89% = B

83-79% = C

< 79% = F

**\*Note:** The George Mason University Honor Code will be strictly enforced. See [Academic Integrity Site](https://oai.gmu.edu/) (<https://oai.gmu.edu/>) and [Honor Code and System](https://catalog.gmu.edu/policies/honor-code-system/) (<https://catalog.gmu.edu/policies/honor-code-system/>). Students are responsible for reading and understanding the Code. “To promote a stronger sense of mutual responsibility, respect, trust, and fairness among all members of the George Mason University community and with the desire for greater academic and personal achievement, we, the student members of the university community, have set forth this honor code: Student members of the George Mason University community pledge not to cheat, plagiarize, steal, or lie in matters related to academic work.” Work submitted must be your own new, original work for this course or with proper citations.

### **Professional Dispositions**

Students are expected to exhibit professional behaviors and dispositions at all times. See [Policies and Procedures](https://cehd.gmu.edu/students/policies-procedures/) (<https://cehd.gmu.edu/students/policies-procedures/>). Students are expected to exhibit professional behaviors and dispositions at all times. In the College of Education and Human Development, dispositions are formally and separately evaluated in at least two points in each student’s program – a self-evaluation at the start of their program, and a university supervisor’s evaluation during internship. In special education licensure programs, the self-evaluation is an online survey distributed via email upon program entry for graduate students and within initial courses (EDSE 241, EDSE 361, and EDSE 311) for undergraduate students. When dispositions are assessed, it is important that for areas where a positive disposition is ‘occasionally evident’ or ‘rarely evident,’ the student takes steps to grow as an educator. See <https://cehd.gmu.edu/epo/candidate-dispositions>.

### **Class Schedule**

**\*Note:** Faculty reserves the right to alter the schedule as necessary, with notification to students.

**Core Values Commitment**

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: See [Core Values \(http://cehd.gmu.edu/values/\)](http://cehd.gmu.edu/values/).

**GMU Policies and Resources for Students**

*Policies*

- Students must adhere to the guidelines of the Mason Honor Code. See [Honor Code and System \(https://catalog.gmu.edu/policies/honor-code-system/\)](https://catalog.gmu.edu/policies/honor-code-system/).
- Students must follow the university policy for Responsible Use of Computing. See [Responsible Use of Computing \(http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/\)](http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor. See [Disability Services \(https://ds.gmu.edu/\)](https://ds.gmu.edu/).
- Students must silence all sound emitting devices during class unless otherwise authorized by the instructor.

*Campus Resources*

- Support for submission of assignments to either Tk20 or VIA should be directed to <https://cehd.gmu.edu/aero/assessments/>
- Questions or concerns regarding use of Blackboard should be directed to [Blackboard Instructional Technology Support for Students \(https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/\)](https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/).

***Notice of mandatory reporting of sexual assault, interpersonal violence, and stalking:***

- As a faculty member, I am designated as a “non-confidential employee” and must report all disclosures of sexual assault, interpersonal violence, and stalking to Mason’s Title IX Coordinator per University Policy 1202. If you wish to speak with someone confidentially, please contact one of Mason’s confidential resources, such as Student Support and Advocacy Center (SSAC) at 703-380-1434 or Counseling and Psychological Services (CAPS) at 703-993-2380. You may also seek assistance from Mason’s Title IX Coordinator by calling 703-993-8730, or emailing the [Title IX Coordinator \(titleix@gmu.edu\)](mailto:titleix@gmu.edu).
