ECED 781.600 Seminar in Early Childhood Education  
3 Credits, Summer 2021

5/10/2021 – 7/4/2021, Thursdays/5:00 pm – 7:40 pm

Synchronous Class Meetings via Zoom (see Blackboard for class link) on 5/13, 5/20, 6/3, 6/17  
Online Hybrid

**Faculty**

Name: Christian Coogle, PhD  
Office Hours: By appointment  
Office Location: Thompson Hall 1252, Fairfax Campus  
Office Phone: 703-993-2377  
Email Address: [ccoogle@gmu.edu](mailto:ccoogle@gmu.edu)

Note: At this time it is best to reach me via email to schedule a phone or zoom meeting

**Required Prerequisites**

ECED 788 or 789  
May be taken concurrently.

**University Catalog Course Description**

Provides opportunities to evaluate and reflect upon instructional practices and interactions with culturally, linguistically, socioeconomically, and ability diverse young children, their families, and other professionals. Examines evidence-based practices used in early childhood settings to manage the environment, guide behavior, and provide instruction that responds to each child's strengths, needs, and interests. Emphasizes professionalism and foundations of early education and care.

**Course Delivery Method**

This course will be delivered online (76% or more) using a synchronous format via Blackboard Learning Management system (LMS) housed in the MyMason portal. You will log in to the Blackboard (Bb) course site using your Mason email name (everything before @masonlive.gmu.edu) and email password. The course site will be available on May 10, 2021.

**Under no circumstances, may candidates/students participate in online class sessions (either by phone or Internet) while operating motor vehicles. Further, as expected in a face-to-face class meeting, such online participation requires undivided attention to course content and communication.**

*Technical Requirements*

To participate in this course, students will need to satisfy the following technical requirements:

- High-speed Internet access with standard up-to-date browsers. To get a list of Blackboard's supported browsers see

[https://help.blackboard.com/Learn/Student/Getting\\_Started/Browser\\_Support#supported-browsers](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#supported-browsers)

To get a list of supported operation systems on different devices see

[https://help.blackboard.com/Learn/Student/Getting\\_Started/Browser\\_Support#tested-devices-and-operating-systems](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support#tested-devices-and-operating-systems)

- Students must maintain consistent and reliable access to their GMU email and Blackboard, as these are the official methods of communication for this course.
- Students will need a headset microphone for use with the Blackboard Collaborate web conferencing tool.
- Students may be asked to create logins and passwords on supplemental websites and/or to download trial software to their computer or tablet as part of course requirements.
- The following software plug-ins for PCs and Macs, respectively, are available for free download:
  - Adobe Acrobat Reader: <https://get.adobe.com/reader/>
  - Windows Media Player: <https://support.microsoft.com/en-us/help/14209/get-windows-media-player>
  - Apple Quick Time Player: [www.apple.com/quicktime/download/](http://www.apple.com/quicktime/download/)

#### *Expectations*

- **Course Week:** Our course week will begin on the day that our synchronous meetings take place as indicated on the Schedule of Classes.
- **Log-in Frequency:** Students must actively check the course Blackboard site and their GMU email for communications from the instructor, class discussions, and/or access to course materials at least 4 times per week.
- **Participation:** Students are expected to actively engage in all course activities throughout the semester, which includes viewing all course materials, completing course activities and assignments, and participating in course discussions and group interactions.
- **Technical Competence:** Students are expected to demonstrate competence in the use of all course technology. Students who are struggling with technical components of the course are expected to seek assistance from the instructor and/or College or University technical services.
- **Technical Issues:** Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.
- **Workload:** Please be aware that this course is **not** self-paced. Students are expected to meet *specific deadlines* and *due dates* listed in the **Class Schedule** section of this syllabus. It is the student's responsibility to keep track of the weekly course schedule of topics, readings, activities and assignments due.
- **Instructor Support:** Students may schedule a one-on-one meeting to discuss course requirements, content, or other course-related issues. Those unable to come to a Mason campus can meet with the instructor via telephone or web conference. Students should email the instructor to schedule a one-on-one session, including their preferred meeting method and suggested dates/times.
- **Netiquette:** The course environment is a collaborative space. Experience shows that even an innocent remark typed in the online environment can be misconstrued. Students must

always re-read their responses carefully before posting them, so as others do not consider them as personal offenses. *Be positive in your approach with others and diplomatic in selecting your words.* Remember that you are not competing with classmates, but sharing information and learning from others. All faculty are similarly expected to be respectful in all communications.

- **Accommodations:** Online learners who require effective accommodations to ensure accessibility must be registered with George Mason University Disability Services.

## Learner Outcomes or Objectives

This course is designed to enable students to do the following:

1. Describe the legal status of teachers and students, including federal and state laws and regulations; school as an organization/culture; contemporary issues and current trends in education, including technology in education; local, state, and federal governance of schools, including the roles of teachers and schools in communities; and *Virginia's Guidelines for Uniform Performance Standards and Evaluation Criteria for Teachers*.
2. Discuss and reflect on examples from student teaching of various school crisis management and safety plans and identify ways they have worked to create a safe, orderly, inclusive classroom environment that engages individual children, including children with diverse abilities, in meaningful learning activities and social interactions.
3. Examine and discuss examples from student teaching of research-based classroom and behavior management techniques, classroom community building, positive behavior supports, and individual interventions, including techniques that promote emotional well-being and teach and maintain behavioral conduct and skills consistent with norms, standards, and rules of the educational environment.
4. Examine and discuss examples from student teaching of diverse, age-appropriate classroom and behavior management approaches based on culturally responsive behavioral, cognitive, affective, social, and ecological theory and practice that support professionally appropriate practices that promote positive redirection of behavior, development of social skills, and development of self-discipline.
5. Identify and reflect on strategies used during student teaching that demonstrate effective classroom management skills through methods that build responsibility and self-discipline, promote self-regulation, and maintain a positive learning environment.
6. Identify, examine, and discuss examples of modifying and managing the learning environments and experiences during student teaching to meet the individual needs of children, including children with disabilities, gifted children, children who are English learners, and children with diverse cultural backgrounds.
7. Identify, examine, and discuss a variety of age-appropriate techniques used during student teaching, informed by learning principles and knowledge of child development, that teach social and emotional skills to individual children and groups of children to assist with behavior management.
8. Provide examples from student teaching of the ways data were collected, analyzed, and used to inform instruction and guide children's behavior.
9. Discuss and reflect on evidence-based instructional practices implemented during student teaching that promoted positive learning outcomes for young children.
10. Discuss and reflect on ways they differentiated instruction in their student teaching experience to respond to the individual strengths, needs, and interests of young children.

11. Reflect critically on their practice and collaborations and discuss ways they engage in continuous learning.
12. Explain and reflect on how historical, philosophical, and sociological foundations underlying the role, development, and organization of public education in the United States influence current teaching practices and environments and discuss and reflect on ways to navigate school environments.
13. Exhibit and reflect on standards of professionalism, ethical standards, and personal integrity with children, families, and professionals in the field and in interactions with classmates, the instructor, the field experience coordinator, and others.
14. Use writing as an instructional and assessment tool to generate, gather, plan, organize, and to communicate for a variety of purposes; integrate correct written conventions (i.e., grammar, usage, mechanics, and spelling); and format using current APA style.

**Professional Standards** – Virginia Professional Studies Competencies, Virginia Early Childhood Special Education Endorsement Competencies, Virginia Early/Primary Education PreK-3 EPK3 Endorsement Competencies, Interstate Teacher Assessment and Support Consortium (InTASC) Standards, Division of Early Childhood (DEC) Professional Preparation Standards, and National Association for the Education of Young Children (NAEYC) Professional Standards and Competencies

Upon completion of this course, students will have met the following professional standards:

**Virginia Professional Studies Requirements**

Classroom and Behavior Management  
Foundations of Education and the Teaching Profession

**Virginia Early Childhood Special Education Endorsement Competencies**

Behavior Management  
Standards of Professionalism

**Virginia Early/Primary Education PreK-3 Endorsement Competencies**

### **Course Performance Evaluation**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

<b>Assignments</b>	<b>Due Date</b>	<b>Points</b>
Attendance and Participation	Ongoing	<b>25</b>
Assignment 1: Building Relationships and Creating Supportive Environments	May 30	<b>15</b>
Assignment 2: Targeted Social Emotional Supports	June 13	<b>15</b>
Assignment 3: Intensive Intervention	June 27	<b>20</b>
Assignment 4: Data-Based Decision Making and Reflection	July 4 (at latest)	<b>25</b>
<b>TOTAL</b>		<b>100</b>

- Assignments and/or Examinations**

All assignments will be submitted in two places:

- within assignment submission section for the instructor to grade and
- within the course discussion board to share with peers.

All assignments in this course can be completed by selecting one of the following options or a self-selected option (note: students are welcome to select a different option for each assignment):

#### **Option 1: Vlog**

- Create a video that is no more than 7 minutes using screen recording software such as Kaltura.

#### **Option 2: Flyer or Informational Brochure**

- Create a one-page flyer or informational brochure.

#### **Option 3: Student-Selected Option**

- Student choice of presenting resources

Students will post on discussion board to share with peers and within the assignments link for the instructor to grade. Students will review peer resources via the discussion board, comment on at least two peer posts by identifying (a) how their artifact is similar and/or different and (b) suggestions of other ways to use the artifact.

### **Assignment 1: Building Relationships and Creating Supportive Environments**

Review materials within the NCPMI website

(<https://challengingbehavior.cbc.usf.edu/Training/Module/index.html>) by clicking on preschool and then selecting download and review **module 1 materials** (PowerPoint slides, videos, and handouts). Students will select two resources to share with peers through a vlog, flyer, or self-selected option (see above). Students will include (a) a visual of each item (screen share, picture, etc.), (b) a summary of each resource, (c) why this resource was selected, and (d) how the resource can be used in the classroom. Students will post this to the discussion board and assignments link on Blackboard. Students will comment on at least two peers' posts and include (a) how their artifact is similar and/or different and (b) suggestions of other ways to use the artifact.

### **Assignment 2: Targeted Social Emotional Supports**

Review materials within the NCPMI website

(<https://challengingbehavior.cbc.usf.edu/Training/Module/index.html>) by clicking on preschool and then selecting download and review **module 2 materials** (PowerPoint slides, videos, and handouts). Students will select two resources to share with peers through a vlog, flyer, or self-selected option (see above). Students will include (a) a visual of each item (screen share, picture, etc.), (b) a summary of each resource, (c) why this resource was selected, and (d) how this resource can be used in the classroom. Students will post this to the discussion board and assignments link on Blackboard. Students will comment on at least two peers' posts and include (a) how their artifact is similar and/or different and (b) suggestions of other ways to use the artifact.

### **Assignment 3: Intensive Intervention**

Review materials within the NCPMI website

(<https://challengingbehavior.cbc.usf.edu/Training/Module/index.html>) by clicking on preschool and then selecting download and review **module 3 materials** (PowerPoint slides, videos, and handouts). Students will select two resources to share with peers through a vlog, flyer, or self-selected option (see above). Students will include (a) a visual of each item (screen share, picture, etc.), (b) a summary of each resource, (c) why this resource was selected, and (d) how this resource can be used in a classroom. Students will post this to the discussion board and assignments link on Blackboard. Students will comment on at least two peers' posts and include (a) how their artifact is similar and/or different and (b) suggestions of other ways to use the artifact.

### **Assignment 4: Data-Based Decision Making and Reflection**

This assignment has two parts. In part one, students will practice developing an informal measure to collect data on how children are responding upon implementation of using one of the

selected artifacts. In part two, students will practice developing and collecting fidelity of implementation data. In each measure students will include at least three observable skills (child progress monitoring measure) and fidelity of implementation steps (procedural steps). In part two, students will use the table provided to guide a reflection on use or future use of each artifact selected. Students will describe what each artifact/practice is, analyze why each one is important, judge its success, and discuss its application. Students will create a vlog, word document, or self-selected option that contains the information below. Students will post this within the discussion board and assignments link on Blackboard.

#### Attendance and Participation (25 points)

Because active participation and engagement are imperative for optimal learning, preparation for and participation in in-class and online activities will be evaluated based on the following criteria:

- Students attend class, arrive on time, and stay for the entire class period.
- Students use laptops and personal devices are to be used for instructional purposes only.
- Students complete readings and prepare for class activities prior to class as evidenced by their ability to discuss and write about the concepts presented and examined in the texts as well as participate fully in related activities.

- Students are actively involved in in-class and online learning experiences as evidenced by (a) participating in all activities, (b) engaging in small- and large-group discussions, (c) completing written work related to the activities, and (d) supporting the participation and learning of classmates.
- Students show evidence of critical reflective thinking through in-class and online discussions, activities, and written reflections.
- Students display professional dispositions at all times while interacting with the instructor and other students.
- Students complete participation activities across the semester that complement the scheduled course topic. Instructors will periodically collect artifacts from the activities. Students in attendance and who actively engage in the learning experience will receive credit for their efforts. Graded participation activities are not announced and are implemented at the discretion of the instructor.
- Students submit attendance and participation self-evaluation.

## **Written Assignments**

All formal written assignments will be evaluated for content and presentation. The American Psychological Association, Seventh Edition (APA) style will be followed for all written work. All written work unless otherwise noted must be completed on a word processor and should be proofread carefully. (Use spell check!) If students are not confident of their own ability to catch errors, they should have another person proofread their work. When in doubt, they should check the APA manual. Portions of the APA manual appear at the Style Manuals link on the Mason library website at <http://infoguides.gmu.edu/content.php?pid=39979>. Students may consult the Writing Center for additional writing support.

Students will do the following:

1. Present ideas in a clear, concise, and organized manner. (Avoid wordiness and redundancy.)
2. Develop points coherently, definitively, and thoroughly.
3. Refer to appropriate authorities, studies, and examples to document where appropriate. (Avoid meaningless generalizations, unwarranted assumptions, and unsupported opinions.)
4. Use correct capitalization, punctuation, spelling, and grammar.
5. Type the paper with double spacing, indented paragraphs, 1-inch margins all around, and 12-point Times New Roman font.

- **Grading**

A = 95-100 A- = 90-94 B+ = 87-89 B = 80-86 C = 70-79 F = <70

Incomplete (IN): This grade may be given to students who are passing a course but who may be unable to complete scheduled coursework for a cause beyond reasonable control.

All CEHD graduate students are held to the university grading policies as described in the Academic Policies section of the current catalog, which can be accessed at <http://catalog.gmu.edu>. Those students seeking Virginia initial teaching licensure must earn a B- or better in all graduate licensure coursework.

## **Professional Dispositions**

Students are expected to exhibit professional behaviors and dispositions at all times. See <https://cehd.gmu.edu/students/policies-procedures/>.

## Core Values Commitment

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: <http://cehd.gmu.edu/values/>.

## **GMU Policies and Resources for Students**

### *Policies*

- Students must adhere to the guidelines of the Mason Honor Code (see <https://catalog.gmu.edu/policies/honor-code-system/>).
- Students must follow the university policy for Responsible Use of Computing (see <https://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students **solely** through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see <http://ds.gmu.edu/>).
- Students must follow the university policy stating that all sound emitting devices shall be silenced during class unless otherwise authorized by the instructor.

### *Campus Resources*

- Support for submission of assignments to Tk20 should be directed to tk20help@gmu.edu or <https://cehd.gmu.edu/aero/tk20>. Questions or concerns regarding use of Blackboard should be directed to <https://its.gmu.edu/knowledge-base/blackboard-instructional-technology-support-for-students/>.
- For information on student support resources on campus, see <https://ctfe.gmu.edu/teaching/student-support-resources-on-campus>.

**Notice of mandatory reporting of sexual assault, interpersonal violence, and stalking:** As a faculty member, I am designated as a “Responsible Employee,” and must report all disclosures of sexual assault, interpersonal violence, and stalking to Mason’s Title IX Coordinator per University Policy 1202. If you wish to speak with someone confidentially, please contact one of Mason’s confidential resources, such as Student Support and Advocacy Center (SSAC) at 703-380-1434 or Counseling and Psychological Services (CAPS) at 703-993-2380. You may also seek assistance from Mason’s Title IX Coordinator by calling 703-993-8730, or emailing [titleix@gmu.edu](mailto:titleix@gmu.edu).
