Field Experience Requirement:

Background Investigation Requirement - All local school systems require students to complete a criminal background check through their human resources office (not through George Mason University) prior to beginning the internship. Detailed instructions on the process will be sent to the student from either the school system or Mason. Students are strongly advised to disclose any/all legal incidents that may appear on their records. The consequence of failing to do so, whether or not such incidents resulted in conviction, is termination of the internship.

- A minimum of 15 hours experience at an elementary school must be completed to pass this course. This will be in addition to any time spent in the field with the class. You must pass the field experience to pass the class.

- Appropriate Dress: Teaching dress is defined by the *PHED Dress Code* and is required for “teaching days.” You are expected to order clothing with Mason insignia for field experience. If you cannot afford the cost of the polo for teaching please contact Dr. Marttinen at the beginning of the semester to make accommodations.
- During your field experience period, all themes, thoughts, routines, lesson objectives, etc. should be observed and/or discussed with your cooperating field experience teacher

2. Scope and Sequence (20%)^{1,3}

• Other Requirements

In accordance with the GMU Attendance Policies (University catalog, 2022-2023), “Students are expected to attend the class periods of the courses for which they register.

In-class participation is important to the individual student and to the class as a whole. Because class participation may be a factor in grading, instructors may use absence, tardiness or early departure as de facto evidence of non-participation.”

The following scale will be used:

- o One (1) absence is permitted
- o Two (2) “tardies”*= 1 absence
- o Two (2) “early departures”* = 1 absence
- o Additional absences beyond 1 will result in 5% deduction from final grade

*Attendance is taken at 10:30 am. A student will be considered late once attendance has been taken. Leaving more than 15 minutes before the end of the class will be considered an early departure.

• **Course Performance Evaluation Weighting**

- Classwork/Reflections weighted @10%
- Scope and Sequence weighted @20%
- Field experience weighted @25%
- Peer Teaching weighted @15%
