2. When the event occurred
3. The purpose of the event
4. Describe the people who attended.
5. What observations were made?
6. Describe the feelings evoked.
7. Thoughts and feeling toward this event (before and after)
8. What was learned from this experience?
9. Describe any differences between a hearing event and a Deaf event.
10. Other keen observations, thoughts or unanswered questions

It is the **student's responsibility** to find a Deaf event to attend. If you do not meet the requirements above, the assignment will result in a zero. The due date is shown on the schedule below.

Discussion Board: Students will watch a video “The Silent Child” about a Deaf child in a hearing family. Students will write their thoughts about the video.

Tests: The course objectives focus on the receptive use of ASL. There will be a test at the end of each unit. This course will cover units 5,7 and 8. It will be administered via Blackboard.

Note: The format of the test is similar to the format of the assignments in the weekly modules. The difference is the entire page of questions are shown for assignments, while the questions will be shown one at a time in random order for tests. There is a time limit for tests, it will be automatically submitted when the time expires.

Final Exam: The final exam is a comprehensive exam, which focuses on both the production and receptive use of ASL. Students will create a video post in Blackboard by the instructor with a time limit. They will need to respond to the instructor's questions using Flip. A rubric will be provided.

Final Exam Waiver: If a student earns above 84% (B) in class after submitting all the required work, the Final Exam will be waived.

Note: Students who earn below 84% (B) are required to take the final exam.

Student Evaluations of Teaching:

The student evaluation of teaching, or SET, is an online course survey. You are strongly encouraged to complete this form for each course as this feedback helps instructors and administrators improve your class experiences. Towards the end of the course, you will receive email and Blackboard notifications when the evaluations open. Your anonymous and confidential feedback is only shared with instructors after final grades have been submitted. More information about the SET can be found on The Institute of Effectiveness and Planning website at <https://oiep.gmu.edu/set/>

Course Policies and Expectations

Attendance/Participation

For this course, there will be 4 Zoom meetings (Final Exam portion is not included). The dates of the meetings are shown in the class schedule below. This meeting will meet to review the materials and answer any questions students may have about the lessons or assignments in Blackboard.

Note: Students who have a 90% or better on the day of the Zoom meeting are exempt from the class meeting (Participation is voluntary).

Students will be allowed one (1) absence without a penalty. Each absence afterwards will result in a 5% deduction from the total grade as shown below:

First Absence – no penalty

Second Absence – 5% deduction of the final grade

Third Absence – 5% deduction of the final grade

Fourth Absence – 5% deduction of the final grade

Note: The following are additional rules that will be applied to the attendance policy:

1. Two (2) late arrivals will be equivalent to one (1) absence which will be applied to the policy stated above.
2. If a student arrives more than 30 minutes late, it will count as one (1) absence.
3. If a student is not visible (on video) during class, on their phone, doing other activities during class time, leaving a blank screen, or leaving the computer. it will result as an absence.
4. For excused absences beyond the (2) given, students would need to get a letter from Disability Services for any mental or physical health related issues.

Late Work: Any papers, videos, or assignments **will not** be accepted past due dates.

Note: Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.

— What does 'accommodations are not retroactive' mean?

Once a student meets and establishes accommodations with a specialist, accommodations will be applicable moving forward from the time Faculty Contact Sheets are provided to professors. Accommodations are not applicable prior to the initial meeting.

Other Requirements

Zoom meetings: The class will meet every two weeks from the start of class to the end of class time. A tab for the Zoom meetings is posted on Blackboard. The meetings will review and consist of group activities based on the previous assignments. It is important students keep up with assignments to be able to participate in-group activities.

Policies:

1. Students are expected to appear and participate from the beginning to the end of each Zoom session. Students cannot be on their phone, doing other activities during class time, leaving a blank screen, or leaving the computer.
2. Student's preferred name is to be displayed on Zoom. No nicknames (ex. Bad Cat) are permitted.
3. Ensure the computer or tablet is on a firm surface (a desk or table). Do NOT have the computer on student's lap, a bed, or any other surface where the device (student) is likely to move.

4. Using mobile phones for a Zoom session is not permitted as students will not be able to see everyone at once on the phone.
5. The webcam is to be turned on unless instructed otherwise.
6. Students are to dress appropriately for class. The attire should contrast student's skin tone.

9. Be aware of lighting. Students do not want to appear bright or dark making it difficult for the instructor and classmates to see you.
10. The voice option will be on mute for all meetings (except the first day of classes).

Note: Students who do not follow the policies stated above will count as tardy and deducted according to the attendance policy.

No Voicing Policy: To enhance students' language acquisition of ASL, a "no voicing" setting will be enforced. Respect the instructor and classmates by refraining from voicing or interpreting for others. If students do not understand the instructor or classmates (or missed a portion of information), please ask the instructor for clarification. Students can ask a classmate by using signs or writing back and forth.

Students are expected to cease voicing the moment they walk into the classroom until the moment they exit the classroom. Students are also expected to continue signing until the instructor has left the room after the class session. It is expected that students will practice ASL with classmates during times they are in the classroom and the instructor is not present.

If voicing becomes a persistent problem, the instructor will ask the student to leave the class for the day; this will count as an absence for the day.

Graduation Requirements: Students are responsible for completing course work that demonstrates the level of competence satisfying the foreign language requirements for graduation.
