5. Everyone will see each other's videos except for the Final Exam
6. Rephrasing – for some video assignments, students will be expected to rephrase what their classmate signed. Students will rephrase, **not copy** what is being signed.

Note: The purpose of this video is to **showcase the student's signing ability** and students will create either a **real or fake** situation on based on the required criteria. Utilize the vocabulary you have learned from the unit. Students will need to **rehearse** until they no longer need notes. Students are expected to look directly at the camera, can look away briefly at notes.

Editing ASL Videos: Students are required to edit their ASL videos.

1. Ensure the computer or tablet is on a firm surface (a desk or table). The video should remain stable – no movements.

2. Make sure the video is centered and visible where the instructor can see the top of the student's head and the bottom of the student's chest area as shown below.

3. If students use their phone, follow the format below:

4. Make sure eyes are facing the camera, not looking to the side, above or below. Brief glances are acceptable for notes.
5. Make sure that the background is clean (one-colored wall) and free of “visual noise” (people, books, television, animals appearing, etc.).
6. The color of the student's shirt should contrast their skin tone. Avoid red, yellow, and orange shades. If students have tattoos on their arms, they should wear long-sleeved shirts. Tank tops and string shirts are not allowed.
7. Remove hats and excessive jewelry. Wedding rings and small earrings are ok.
8. All videos must be submitted on Flip as one. Multiple edited/short clips is not allowed.

Deaf Events: Students will attend **one (1)** Deaf event. Students can find events using the websites below detailing location, type, and time of events.

Here are some websites students can check to find upcoming events:

1. Instagram: @DeafCityEvents
2. Fairfax ASL Social: <https://www.facebook.com/groups/aslclub2015/>
3. ASL Bridge: <https://www.meetup.com/ASLBridge/>
4. Northern Virginia Resource Center for Deaf & Hard of Hearing Persons (click on community events calendar): <https://nvrc.org/news/>

5. Gallaudet University: <https://my.gallaudet.edu/calendar>
6. ASL Trivia (must be 21+) <https://www.facebook.com/ASLTriviaDC/>

Another option is to Google the following – Silent Dinner in (city, VA), Silent Supper in (city, VA), or Deaf Event in (city, VA).

The following do not count as a Deaf event:

- Church settings
- Deaf plays
- Interpreted events
- Captioned movies

The purpose of this event is for students to practice their signing skills.

For the event, students will write a paper detailing their experience. The paper should be one page, double spaced. Include a comprehensive answer to each question below.

1. Name of the Deaf Community Event
2. When the event occurred
3. The purpose of the event
4. Describe the people who attended.
5. What observations were made?
6. Describe the feelings evoked.
7. Thoughts and feeling toward this event (before and after)
8. What was learned from this experience?
9. Describe any differences between a hearing event and a Deaf event.
10. Other keen observations, thoughts or unanswered questions

It is the **student's responsibility** to find a Deaf event to attend. If you do not meet the requirements above, the assignment will result in a zero. The due date is shown on the schedule below.

Tests: The course objectives focus on the receptive use of ASL. There will be a test at the end of each unit. This course will cover units 1, 2, 3, and 4. It will be administered via Blackboard.

Note: The format of the test is similar to the format of the assignments in the weekly modules. The difference is the entire page of questions are shown for assignments, while the questions will be shown one at a time in random order for tests. There is a time limit for tests, it will be automatically submitted when the time expires.

Final Exam: The final exam is a comprehensive exam, which focuses on both the production and receptive use of ASL. Students will create a video post in Blackboard by the instructor with a time limit. They will need to respond to the instructor's questions using Flip. A rubric will be provided.

Final Exam Waiver: If a student earns above 84% (B) in class after submitting all the required work, the Final Exam will be waived.

Note: Plagiarism is defined as using another individual's ideas or words without attribution or credit. It also includes using one's own prior work that has been submitted for credit or published in another venue as a new submission without citation. Using the ideas of others without proper attribution or citation is unethical and a violation of the Honor Code. Subcategories of plagiarism include:

Students are responsible for ensuring the work they are submitting is their own work. If a student submits a plagiarized video, copying another student's video or a video online, the university policy will be followed:
<https://catalog.gmu.edu/policies/honor-code-system/>.

Student Evaluations of Teaching:

The student evaluation of teaching, or SET, is an online course survey. You are strongly encouraged to complete this form for each course as this feedback helps instructors and administrators improve your class experiences. Towards the end of the course, you will receive email and Blackboard notifications when the evaluations open. Your anonymous and confidential feedback is only shared with instructors after final grades have been submitted. More information about the SET can be found on The Institute of Effectiveness and Planning website at <https://oiep.gmu.edu/set/>

Course Policies and Expectations

Attendance/Participation:

Students will have a weekly Kahoot activity answering multiple choice questions at the beginning of class focusing on new vocabulary/information learned that week.

Students who arrive late while the quiz is ongoing may use the remaining time to complete as much as they can. They will look for the game pin on the bottom of the screen to join the class.

Ex:  **kahoot.it Game PIN: 1854714**

Students who arrive late after the end of the activity will not be able to redo the quiz and will earn a zero. Students who are absent from class will also earn a zero for that week.

Note: The **three (3)** lowest scores will be removed from the final total. It is recommended to save these days for sick days/appointments or other unavoidable absences.

Late Work: Any papers, videos, or assignments **will not** be accepted past due dates.

Note: Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.

— What does 'accommodations are not retroactive' mean?

Once a student meets and establishes accommodations with a specialist, accommodations will be applicable moving forward from the time Faculty Contact Sheets are provided to professors. Accommodations are not applicable prior to the initial meeting.

Other Requirements

No Voicing Policy: To enhance students' language acquisition of ASL, a “no voicing” setting will be enforced. Respect the instructor and classmates by refraining from voicing or interpreting for others. If students do not understand the instructor or classmates (or missed a portion of information), please ask the instructor for clarification. Students can ask a classmate by using signs or writing back and forth.

Students are expected to cease voicing the moment they walk into the classroom until the moment they exit the classroom. Students are also expected to continue signing until the instructor has left the room after the class session. It is expected that students will practice ASL with classmates during times they are in the classroom and the instructor is not present.

If voicing becomes a persistent problem, the instructor will ask the student to leave the class for the day; this will count as an absence for the day.

Graduation Requirements: Students are responsible for completing course work that demonstrates the level of competence satisfying the foreign language requirements for graduation.
