1. **Receptive Tests:** The receptive portion of the test will be administered via Blackboard. The formatting will be similar to assignments, however there is a time limit for tests.
2. **Video Presentations:** Students will post the expressive portion (signing) on Blackboard. Rubrics are posted on blackboard to be used as a guide.
 

**Note:** Remember the purpose of this video is to showcase student’s signing ability. Students will create a fake situation or scenario on based on the required criteria. Utilize the vocabulary you have learned from the unit.

**Final Exam Waiver:** If a student earns above 84% (B) in class after submitting all the required work, the Final Exam will be waived.

**Note:** Students who earn below 84% (B) are required to take the final exam.

### **Student Evaluations of Teaching:**

The student evaluation of teaching, or SET, is an online course survey. You are strongly encouraged to complete this form for each course as this feedback helps instructors and administrators improve your class experiences. Towards the end of the course, you will receive email and Blackboard notifications when the evaluations open. Your anonymous and confidential feedback is only shared with instructors after final grades have been submitted. More information about the SET can be found on The Institute of Effectiveness and Planning website at <https://oiep.gmu.edu/set/>

## Course Policies and Expectations

### Attendance/Participation

Students will be allowed two (2) absences without penalty. Each absence afterwards will result in a 5% deduction from the total grade as shown below:

First Absence – no penalty

Second Absence – no penalty

Third Absence – 5% deduction of the final grade

Fourth Absence – 5% deduction of the final grade

Fifth Absence – 5% deduction of the final grade

Sixth Absence – Withdraw or fail the course depending on the date

1. Two (2) late arrivals will be equivalent to one (1) absence which will be applied to the policy stated above.
2. If a student arrives more than 30 minutes late, it will count as one (1) absence.
3. If a student is not visible (on video) during class, on their phone, doing other activities during class time, leaving a blank screen, or leaving the computer. it will result as an absence.
4. For excused absences beyond the (2) given, students would need to get a letter from Disability Services for any mental or physical health related issues.

**Late Work:** Any papers, videos, or assignments submitted after due dates will result in a deduction of points. 2 points per day. (2pts X two days= 4 points)

**Note:** Students should anticipate some technical difficulties during the semester and should, therefore, budget their time accordingly. Late work will not be accepted based on individual technical issues.

### Other Requirements

**Zoom meetings:** The class will meet on the scheduled dates shown in the course schedule below. A tab for the Zoom meetings is posted on Blackboard. The meetings will review and consist of group activities based on the previous assignments. It is important students keep up with assignments to be able to participate in-group activities.

#### Policies:

1. Students are expected to appear and participate from the beginning to the end of each Zoom session. Students cannot be on their phone, doing other activities during class time, leaving a blank screen, or leaving the computer.
2. Student's preferred name is to be displayed on Zoom. No nicknames (ex. Bad Cat) are permitted.
3. Ensure the computer or tablet is on a firm surface (a desk or table). Do NOT have the computer on student's lap, a bed, or any other surface where the device (student) is likely to move.

9. The voice option will be on mute for all meetings (except the first day of classes).

**Note:** Students who do not follow the policies stated above will count as tardy and deducted according to the attendance policy.

**No Voicing Policy:** To enhance students’ language acquisition of ASL, a “no voicing” setting will be enforced. Respect the instructor and classmates by refraining from voicing or interpreting for others. If students do not understand the instructor or classmates (or missed a portion of information), please ask the instructor for clarification. Students can ask a classmate by using signs or writing back and forth.

Students are expected to cease voicing the moment they walk into the classroom until the moment they exit the classroom. Students are also expected to continue signing until the instructor has left the room after the class session. It is expected that students will practice ASL with classmates during times they are in the classroom and the instructor is not present.

If voicing becomes a persistent problem, the instructor will ask the student to leave the class for the day; this will count as an absence for the day.
